Dear Brothers & Sisters in Christ,

January 2023

I want to infinitely thank you for your prayers and help in the ministry. Thanks to this, we are growing in our ministries in the cities of Mercedes, Concepcion, Artigas and Rivera in both Argentina and Uruguay.

***I wanted to tell you about what God is doing in our family and ministry.***

I am grateful that my son, Josias, works in the missionary ministry with me. This is a blessing in many ways. Because of Josias, I am free to travel to Rivera and Artigas, Uruguay and to Concepción province of Corrientes, Argentina, to do missionary work.

More and more the people know Josias because of his preaching on the internet. He has also preached in various houses where we hold meetings. His total dedication to the Word of God has given Josias a good testimony to the community around him.

It gives me a peace of mind to know that, when I am away from Mercedes in another city, the ministry in Mercedes is well taken care of.

I recently had opportunity to preach in Artigas. At the same time, Joao preached in the church of Rivera, and Josias preached in Mercedes. What a blessing to have fellow servants, especially my own sons, who are able to preach in my absence!

**The fights with the enemy:** We know that the enemy of God does not like God's work, but the protection of God is so remarkable. We have faced several dangers along the roads in our area in which we were convinced that the enemy sought to take our lives. But we trust the Lord for safety and have been continually delivered from our adversary. Our Lord said that if we trust Him nothing would be impossible.

**The Fruits of God:** As a family we have had many doors of ministry open to us. For example, last night I was preaching at a girl's 15th birthday. The father and mother of the girl who was turning 15 years old threw a huge party and asked me to speak to a number of guests from all across the region. What a joy to be able to preach in detail about the Cross of Christ, the only solution that God gave us to enable us to live with Him in Eternity. It was amazing to see how the Lord worked in many lives there. I wish I could take the time to tell each story. We thank the Lord for giving us ministry opportunities like this birthday party. Pray for us as we serve!

As I already said, I am traveling from time to time to the town of "Concepción del Yagurete (Leopardo) CORA." This is the town where I was born. Now it is a tourist town. Although there have been several converts there for many years, they still do not have a fundamental Baptist church. Believers attended the Pentecostal church. We want to put a good Baptist church in Concepción. We have contacts to whom we preach. Pray for "Concepción del yagurete CORA".

January 8 is the day of the Argentine idol, "El Gaucho Gil." 400,000 people came from other parts of the country to worship the Gaucho, in addition to all the Mercedeseños (locals). There are worshipers of this Gaucho in a

large part of Argentina. Their eyes are closed, and they do not see. Mercedes is the capital and the original place for the worship of the Gaucho. They also adore another idol, "San la Muerte." We must pray for Mercedes where we are working so that souls will be converted and come out of this idolatry for the work of God.

**Prayer Requests:**

- 1- For the advancement of the ministry.
- 2- Thanksgiving for the beautiful Church that the Lord gave us in Mercedes.
- 3- Pray for our speakers and preachers.

Our love in Jesus Christ,

Anibal and Maria Fornazarich
