Dear Brothers & Sisters in Christ,

May 2023

Thank you very much for your prayers and support throughout our ministry, which, through your partnership, is also your ministry. We are so grateful to God for His kind hand toward us, and His great love and protection to His children.

We want to tell you that new people have been coming to the church of Mercedes, and the new people from earlier remain firm. In conclusion, we are growing.

Pray for my two sons and for the brothers, Ernesto and Dario, who are ministering there. In the midst of the church growth, we ask for your prayers as Mercedes is in the midst of furious paganism. They worship a gaucho and another lord called "San la murte". Both very famous in Mercedes. The picture on the right is of a Bible study in Mercedes

Preaching the Gospel is the priority for us in the church. In every meeting, the Gospel is explained very well both to reach the lost and to encourage our believers to be effective in evangelization. As we trust the Holy Spirit to do His work, we always explain the beautiful doctrine of the security of salvation. We want our people to not only believe on Christ as their Savior, but also mature in their relationship with Him. We are praying for our churches to be filled with strong Christians, not just believers. There are believers who are not growing yet. They live superficial lives, with one foot in the world and the other in the church. The picture on the left is of a recent fellowship.

Please pray for our ministries in the province of Corrientes. Corrientes has approximately 25 Departments, with a total population above 1.06 million. There are only 4 churches for this entire, very extensive province. May the Lord use us in Corrientes for His work. We are hungry to see many souls saved by God.

On some trips that I made to Corrientes, I had the opportunity to stay there during a Sunday in a city. I took the opportunity to attend some churches, more or less, of sound doctrine, to see what is happening. There are many churches, they are moving away from sound doctrine. The Biblical promises that are preached are very beautiful, but, in some of the churches, I did not hear the name of Christ, or His sacrifice on the cross, anywhere in the central sermon on Sunday. Many promises were preached, but nothing of the righteousness of Christ. Nothing about redemption, justification, propitiation, or what it means to live "In Christ." Nothing about the great doctrine of the resurrection from the dead or the meaning of the teaching of the resurrection for the saints. These and others are some of the most glorious teachings in the New Testament. For this reason, it is crucial that, when we preach in our churches, we do not forget these sound doctrines.

Very recently, on several occasions, I was able to be in Rivera, Uruguay. I am grateful that these trips are possible because my son, Josias is willing to minister in Mercedes. We also have places to preach in the northern Uruguay, where we preach with my son, Joao. In the department of Artigas, Uruguay, there are about 25 towns, and only in the Capital of Artigas is there a church. The need is great.

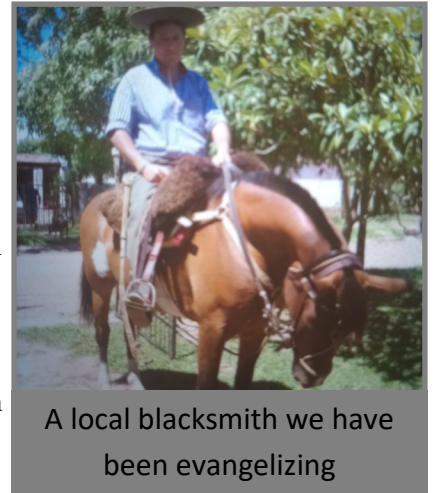

In Rivera, a sister in Christ named Ivone called Joao to go preach to her whole family. Currently, Joao disciples her grandson. Ivone is one of the souls that God gave us while we ministered in Rivera. A great door has been opened for us again.

How happy we are to see many of Ivone's family saved and others evangelized in the near future. Our evangelistic plan is to have many house Bible studies in multiple towns that can form churches. I have much more in my heart that I want to tell, and I will share more as plans materialize.

Thank you for your great support and prayers, without which everything would be very difficult for us. We pray for you always and we love you in Christ Jesus. Amen!!!!
