Dear Brothers & Sisters in Christ,

September 2022

"Wherefore also we pray always for you, that our God would count you worthy of this calling, and fulfil all the good pleasure of his goodness, and the work of faith with power: That the name of our Lord Jesus Christ may be glorified in you, and ye in him, according to the grace of our God and the Lord Jesus Christ." (2 Thessalonians 1:11-12)

Once again, we greet you, wishing you are well and enjoying the care of our Lord Jesus Christ.

I want to take this opportunity to share with you that, a few weeks ago, I finished the webpage that I was writing. I shared about my work on this in my previous letter. It has the following title: www.eldiosmormon.com.ar

It was a hard work of many months. The page contains 76 blocks and is filled with information regarding the lives of the Mormon leaders and the pagan practices of Mormonism. I would love for God to raise up a brother who can translate the page into English, as Mormonism is a widespread sect. Until the year 2021, it had 16,565,036 members from many countries. The Lord put a weight on my heart to prepare this material, since there are many people, even Christians, who believe that Mormons also are saved when they talk about Jesus Christ.

In the newspaper of my city, which has a reach of three cities, I published the link to the page for a month.

Dear brothers, I also ask you to pray for my other web page, that of the so-called Jehovah's Witnesses, whose link is as follows: www.esjesucristodios.com

So far, it is the most busy page. An average of 200 people access it per week. Since I launched this page, until today, 49,890 people have visited, although only four have received Christ as God and personal Savior.

Brothers, the Jehovah's Witnesses page has been existing for more than four years. In those four years, I know of only four people who have made a decision for Christ. However, what amazes us every day is the amount of people who enter it. We are happy to know that the Light is coming to those who are in darkness. And we leave the results of said sowing to the Lord.

In the last two months I have been giving two evangelism seminars in a church in the city of Escobar, (province of Buenos Aires).

We also held another seminar on evangelism in a church in the city of Zárate. (Zárate is the city in which we live.) In the month of June, together with young people from our church, I taught an evangelism class using paintings. The class was held on a soccer field where, every Sunday, a meeting for teenagers and children is held.

In the city of Zárate and in the city of Escobar, I have two pending evangelism seminars to be carried out in the first days of October.

At the end of October, I will be traveling to the province of Jujuy, where, for several years, I have taught evangelism and heretic sects at the Jorge Muller Bible Institute.

On this trip to Jujuy, I will be filming personal preaching on the public road to prepare an online seminar for a Bible institute in Alabama (United States). Please, I ask for your prayers, because they need 120 hours of filming.

Pray for the people who will be interviewed, so that the Lord will prepare their hearts and that they may know the Lord Jesus Christ as their Savior. Pray for the preparation of the material, which will be an arduous task. Also pray for the person who is going to assist me in the filming; his name is Benjamin Lopez.

We thank all of you, dear brothers, for your faithful support in our ministry, through your prayers and offerings.

Although this letter will not arrive before, we will tell you that on Thursday, September 1, in the morning, my wife Norma will be having a cataract operation. Please pray for healing for her.

Prayer requests:

1. May the Lord continue to enable us to faithfully serve Him.
2. For all of the remaining activity of the year.
3. That the Lord may continue to meet our needs both spiritually and materially in these times when the social and economic situations in Argentina are extremely critical.
4. For the printing of evangelical booklets that I have written, which are very requested. Due to the economy of the country, they have become very expensive to print.

Serving the Lord in Argentina, with Love in Christ,

Miguel & Norma Galecio
