Dear Brothers & Sisters in Christ,

December 2022

***"Behold, God is mine helper: the Lord is with them that uphold my soul." (Psalm 54:4)***

We greet you, wishing that the Lord has prospered and used you for His glory in this year that is already gone. We are well, grateful to the Lord for His fidelity in all that He has allowed us to experience this year. We hope that you are also well and enjoying the care of our Lord Jesus Christ, hoping that He will come looking for us, but in the meantime, that He will continue to use us to reach those who will be part of the church.

In these last few months, I have resumed giving seminars in person, since the previous year I did meetings via the zoom platform.

In the month of October, I had the opportunity to be on a radio station in the city of San Pedro. Its range is very large; it reaches several cities of Greater Buenos Aires. The topic I shared was Religious Occultism. I was invited to speak on that subject because many people, especially young people, are involved in the occult, and many have committed suicide.

As I had already mentioned in the previous letter, at the end of October, I traveled to the province of Jujuy, to the Jorge Muller Bible Institute. There I shared two subjects: evangelism and heretical sects. I also had the opportunity to talk about religious occultism. It is amazing how many students came to talk to me at the end of the talk, telling me that many of their Christian relatives, ignorant of what religious evangelism is, were practicing it. Pictured on the right is a photo of a the group.

On the trip to Jujuy, I filmed the video for the Alabama Bible Institute (USA). I interviewed people on public roads preaching the gospel to them. Thank God I was able to do it. We are now in the editing stage. I am very happy because the person who is putting it together is doing it very well. Pictured below is film footage from the video.

In the first days of December, I traveled regularly to San Miguel del Monte, to the Word of Life missionary conference. It was her at the Biblical institute in which I was a professor of evangelism and sects for several years, until 2002, when we left for another city. On this occasion, I received the invitation to teach those subjects again in the opening month, which I will do again with great pleasure.

**Upcoming Events:** I share with you that, during the month of January, I will be, for the second time, giving an online seminar with a Bible institute in Costa Rica. Its director is Dr. Raúl Perazzo, and students from various countries will participate in it. From January 27 to 29, I will be giving an evangelism workshop in which two churches from the city of Lima and San Pedro will participate. From February 18 to 21, I will be traveling to Dean Funes (Córdoba Province), giving another seminar in another summer camp.

Brother Juan Carlos Mul has the project of making a trip to Colombia and another to Panama. My wife would accompany us on this trip. Her desire is to visit several churches and give evangelism seminars. Let's pray for this project.

I leave all these trips as a reason for prayer.

Regarding my wife's operation, everything went well. She underwent cataract surgery. Her vision has not improved. Now, she has an intra-ocular lens, that makes it easier for her not to wear a contact lens. She thanks God that He has control over us.

We continue to thank all of you, dear brothers, for your faithfulness and for your faithful support for our ministry, through your prayers and offerings.

Dear brothers, we wish that all of you may have blessed days during this time when we remember the birth of our Savior. We pray that the Lord will grant each one a year guided by His Word and that his purposes will be fulfilled in each of you.

May God Bless you,  
With Love in Christ,  
Miguel & Norma Galecio
