Dear Brothers & Sisters in Christ,

November 2021

Warmest greetings to you from Liberia! I pray that this letter finds you well and rejoicing in the Lord!

## **FAMILY**

Praise the Lord, all of my family members are doing well and are safe. My wife, Esther, and daughter, Edwina, finished their semester and are currently home on break. Both will be returning to campus soon. Our other daughter, Ednor, remained on campus during the break. Please pray along with us that God will continue to provide for their school fees and meals.

All of our boys are progressing well in grade school. Edmond just wrote to the WAEC (West African Examinations Council). Pray that God will help him finish his exam with flying colors. Also, please pray for my boys as rogue persons broke into their rooms and took all of their church clothes, shoes, and almost everything. We thank God they were not harmed and everything taken was merely material.

Thank you for praying for me while I was in school and while I was ill. I finally graduated! Please keep me in your prayers as I am considering beginning a doctorate program in January. It will require making two trips next year, one in January and one in August. I am trusting God to provide the needed funds for the trip in January (\$1,100 will be needed to cover the semester fees, transportation, and COVID-19 testing). This additional education will enable me to be better equipped for ministry in Liberia.

## **CHURCH**

We are so very grateful for those who contributed toward the central church project. May God bless those who gave and even those who prayed. We have purchased some roofing materials (50 pipes). Pray that God will touch the hearts of people for the roofing portion of our building project.

All of our other churches are doing well. We rescheduled our evangelism trips to the villages for the dry season, due to the bad condition of our roads during the wet season. Please pray for growth and commitment in these churches. We lost one of our members, Brother William Ben, recently. His children need our prayers for comfort.

## **SCHOOLS**

### Hearing School:

With all of the changes made by the Ministry of Education, we had to close our school in September. Thankfully, our 9<sup>th</sup> and 12<sup>th</sup> grade students already completed their National Standardized Tests. Please pray for God's blessings and wisdom upon this ministry as we plan to reopen this month. Please also pray with us for the Lord to move the hearts of retired teachers to come to Liberia and help us set up our Christian high school. We want to establish an educational system that will provide our children with a solid Christian and academic foundation.

### Deaf School:

Our deaf school is progressing well, though it too had been closed and will be reopening this month. In the last two months, we celebrated two separate weddings for the Deaf. Pray for these couples and their families as they adjust to married life and seek to honor the Lord in their lives and through their marriages.

**PRAYER REQUESTS - please pray for the following:**

- Liberia and for COVID cases to continue to decline
- The health of my family
- Pastor Matthew Troy, for his trip to India this month for surgery (he is the principal of our Christian high school)
- The Deaf School Project (completion of dormitories)
- The completion of the church roofing project
- My trip to Ghana in January 2022 and its related expenses

Yours in Christ,  
Rev. Edwin N. Gbor
