Dear Brothers & Sisters in Christ,

April 2022

Greetings from Liberia. I am excited to update you all about what the Lord is doing in our ministries in Liberia.

Family

Even though I am not well, the rest of my family members are doing well. Keep praying with me as I am getting treatment. Esther will be going back on campus this May; pray for God's blessings and wisdom. Since the accident I had on November 10, 2021, the damage on my vehicle has not been repaired. Please pray with me. I need \$1,800 to repair and replace some damaged parts. Traveling is getting difficult on the mission field for me because of my vehicle conditions. I am not able to travel on long distance on Motobike because of rain and my health condition. Pray that God will quickly help me with the repair funds.

Church's Project

We are now roofing our central church. Thanks to those who gave! We have received \$1,500 donated from the US, and our own church people willingly gave as well. Even though the materials purchased are insufficient, we have begun roofing. We still have need of roofing materials and sheets. Pray that God will provide the remaining materials.

Women Conference

Our national women's conference just ended. It brought over 500 women from different independent Baptist churches. The conference is trusting God for provision to continue their conference center project.

Schools

Both the hearing and deaf schools are doing well. There are about 600 hearing students and 48 deaf. We have finished the deaf dormitories; our next plan is to build their school. If the Lord provides funds, we will begin building as soon as possible.

Country

The economy situation in Liberia is becoming terrible. Prices are escalating every day. Pray for God to provide for my family and members of the church.

Prayers: Family needs and my health

\$1,800 for vehicle repair

Liberia's economy

Schools: for the students' spiritual and academic growth

God to bless us with funds to continue with the church roofing
