Dear Fellow Laborers in Christ,

April 2021

Greetings and thank you for your continued prayers and support. It has been a blessing partnering with you for the past year. I am especially grateful for my family and ministries.

Family

Every member of my family is doing well and is safe. However, I need special prayers because I am not well and have been visiting the hospital for months. Esther and the children have started school. As you may know, only the boys are still in grade school. The girls are in separate universities along with their mother. Every semester the Lord keeps providing their fees, transportation, rental and meals. God was gracious to me for my last trip to Ghana for the completion of the master's program. Even though I spent a lot on COVID-19 testing and transportation back and forth, my trip was successful and safe. Please keep me in your prayers for a successful graduation, as well as a fresh beginning in the graduate program.

Ministries

Annual Conference:

Our annual soul winning conference was in January this year in Duo Tonwin Town. Several souls were saved and six were baptized. Pray for the souls saved and those baptized to be matured spiritually.

Schools:

1. Deaf School -- We are grateful to God for the deaf school. The students and teachers are well and safe. God is using Beyond the Bricks to provide dormitories for the deaf in Ganta, Liberia. This organization is helping us to build two dormitories. One of the dorms is about to be completed; we are trusting God for both dorms to be finished as the Lord provides. If you are interested in deaf ministry or have a passion for the deaf and want to donate, checks can be sent to IPM Inc., 100 Spring Avenue, Hanover, PA 17331.
2. Hearing School -- as you may know, our church is also involved in providing education for the hearing as well. This year, the Lord blessed us with close to 700 students. Praise God that some of these students are getting saved during devotions and Bible classes.

Women's Conference:

A few years ago Esther started teaching. This training has grown to a national fundamental Baptist women's conference. Testimonies from the conference have encouraged a lot of homes and churches. This year's conference was March 15-21. Pray also for the conference hall that is under construction. We do not want these conferences to serve as a hindrance to our children's learning. Whenever it is held, our schools cannot be in session because we usually host it on the school campus.

Visit to GCFBC Yeeganpa, Saclepea:

A few weeks ago I visited and preached at Great Commission Church in Saclepea. I was thrilled and blessed by works done by the church. Pastor & Mrs. Gaye and members are doing great for the Lord with the little offerings collected every Sunday. They have plastered the inside walls and floor. They need prayers for floor tiles, doors, chairs and outside plastering. Among the six people who got baptized during our annual conference, three are from this church. Pray for their spiritual growth.

Radio Programs:

One of the ways that the gospel can be spread is through the media. We have two separate radio programs on two different radio stations. One is sponsored by the central church, while the other is sponsored by my family. This month we are discussing Christian homes.

Prayers Requests:

My health, my family's school fees, churches, conferences, our hearing & deaf schools, and our radio programs.

Yours in Christ,
Rev. Edwin and Esther Gbor
