Dear IPM prayer partners & supporters,

December 2021

Blessed be our good God and Father forever. My family and I send our warmest greetings to you from the city of Iquitos in the jungle of Peru. By the grace of God and through your partnership with us, we continue working in this part of the Peruvian Amazon. My family and I are so very blessed to have you as part of our beautiful IPM family.

My family is healthy and doing well, praise the Lord. My son, Jabes Abdiel, will be going to elementary school at the beginning of next year. And, my eldest son, Kerwin Gregorio, will be traveling to another city to begin his theological studies at the Baptist Seminary of Peru in the city of Trujillo.

RECENT MINISTRY HAPPENINGS:

· In November, we made a trip to Resaca de Peruate to preach the Word of God for five days. We also took advantage of our time there to inspect the facilities where the next youth camp will be. As we plan for camp ministry, we decided to organize two youth camps every year: one in February in Peruate, and the other in August in the Bora community of Pucaurquillo. Our sole purpose in this ministry is to continue teaching God's Word to youth, so that they learn to love and serve the One who lives forever and ever - the Lord Jesus Christ.

· We held our fifth church fellowship on the theme of "Stewardship" in the town center of Cochiquinas in Loreto, from November 26th through the 28th at Light of Life Evangelical Baptist Church. 49 souls repented of their sins and consecrated their lives to Jesus Christ, and 11 new believers were baptized - one of whom was the highest authority (the mayor) of the town, Victor Cahuaza, who promised to follow in the footsteps of the Teacher.

· We visited the new work in San Pedro de Marupa, New Jerusalem Baptist Church, where an elder from our church is currently pastoring. We started this work in the middle of the pandemic. We held its very first church fellowship on December 4th, when 18 souls gave their lives to Christ and four new believers were baptized, all to the glory of God!

· We met Martin and Nilda in the Bora community of Pucaurquillo. At the time, they were dead in their trespasses and sins; but, thank God, the Holy Spirit worked in their hearts and lives, giving us the opportunity to lead them to the feet of Jesus Christ. They were baptized, and now they are married. They are a living testimony of the power of the gospel and the regenerating work of the Holy Spirit. We were asked to be godparents for the glory of God. I ask for your prayers for this place, that God might continue to work with power and many souls might come to Christ the Savior.
