Family

God has allowed my wife, even with her illness, to continue her work with the children and preparing the choir for the Christmas service for both children and adults. I beg her prayers, because, by the grace of God, my wife's health is stable. Sometimes, her immune system is weakened from too much medication, and her low protein diet affects her hemoglobin.

My children participated in the play. My son teaches the children and plays the guitar, and my daughter, Haniela, plays the violin in the services.

We strive to continue preaching the gospel so that souls will be saved and more lives will be built for the glory of God. In this coming year, our focus is to prepare workers for the work.

As always, I thank you very much, brothers, for all your support in prayer and for your generous offerings, which are a great blessing. May the Lord bless you greatly. We send an affectionate greeting in the love of Christ.

Ministry Update: We send you an affectionate greeting in the name of the Lord Jesus Christ, hoping that you are in good physical and spiritual health and always with the joy of the Lord. I share with you my missionary report for the months of September to December, 2022.

In the Evangelistic Area, by the grace of God, in the month of October, the Corro family trusted Christ (Jorge, his wife, Yanet, and their children Guadalupe, 18, Jorge, 17, Fernando, 14, and Esmeralda, 12). They are being discipled and are attending church on Sunday afternoons. Brother Marcos and his wife, Brenda, also trusted Christ in the month of November.

We continue preaching and discipling in Pitayo (Pueblo de Guadalupe Allende), where 12 new believers gather (pictured to the left). We are praying for the salvation of their relatives and neighbors. We also have a group of 11 children; sometimes there are up to 24 children. They are given classes, and at the end they are given a small snack that the brothers bring. Because we usually arrive at 6:00 and finish at 7:30, the children also have some activities and games. We thank God that He has allowed us in this place to raise a roof on the building where the meetings are held.

In the town of Jaulillas (San José Cañada Grande), we continue to disciple a family, and, by the grace of God, sister Amalia and her two children are growing in their faith (Manuel, 17, and German, 14).

In the town of Tepapayeca, we continue to disciple brother Leandro Corro and his family and brother Enrique Corro and his family. In the town of Tlapanala, we continue to disciple brother Rufino Muñoz and his wife, brother Alberto Muñoz and his wife, and, also, at the Las Palmas ranch, we are discipling the Miranda Family. By the grace of God, the membership of the church has been growing. The institute class continues classes, with 6 brothers in attendance.

By the grace of God, He allowed us to have our Christmas fellowship. We thank God that we had many guests, in addition to the brothers who attended and invited their families. It was a great blessing to see the church full. Glory to God! We hope that God works in the families and those who visited us to make decisions for Christ.

Prayer Requests:

1. For God to continue to give me His grace to preach His Word and give me His wisdom to be able to guide the church and continue preparing workers.
2. For brothers Juan Sánchez and Verónica Tapia, because they are workers in the ministry. May God give them strength and health.
3. For the spiritual growth of the new brothers so that they can mature in the faith and be integrated into the service of the work of the Lord.
4. For the health of my wife. May God provide for her medical expenses.
5. For God to continue to provide me with the financial support needed for the ministry here.
6. For God to provide me with a car in good condition.
7. For God to continue to give me His grace to guide my wife and children in the path of the Lord.
8. For the Ministry Plan for the year, 2023, our anniversary, vacation Bible school, and workshops for teachers and conferences for this year.

Serving the Lord,
Enrique Guzman and Family
