Dear pastor, church family & brothers in the faith,

June 2022

Know that we are very grateful to all of you for partnering with us for so many years in the ministry to which God has called us. We recognize that without you, it would be very difficult for us to do the work to which we are called.

FAMILY UPDATE

Thank God, all of our daughters and son are serving the Lord in different ministries. Our daughter, Sharon, was awarded a scholarship to do an online master's degree at the Dallas Texas Theological Seminary. Joel, our son, has been a tremendous help here in Puebla as a Sunday School teacher and a youth minister. Myrle, our daughter, continues working with the ladies of the church. She is a blessing. My wife is also working with the ladies and currently, discipling two young ladies. She also teaches by Zoom, Monday and Tuesday and disciples new believers during the week. My wife's health is fairly stable with her arthritis problem, which she has had for about 15 years. But she continues serving in what she can.

THE WORK

Thank the Lord, we had baptisms on May 22. It was a good moment for the church that we are forming here in Puebla, Mexico. Here I share some photos of the baptism on the right. (The adult, not the child, was baptized.)

As you know, we are renting a place. Thank you for helping us with a special offering for the rent. The truth is that at this stage, we need all the help we can get to pay the rent. I want to share a special blessing. By the grace of God, on the premises that we rent, we have the blessing of new people giving their lives to Christ. In today's environment it is very difficult for people to give their lives to Christ.

Another great challenge is to help newcomers with their transportation. So far we have about \$3,500 to buy a truck. We still need about \$11,500. We thank our friends who gave us two boxes of tracts to help us in the ministry. We are already in talks to travel to Cuba and bring a lot of help to our Cuban brothers. Once confirmed, I will send a letter to you confirming our trip – I only ask you for now, if you can support me by praying for this trip. I have a sister who sells American clothes by the bale. I hope to at least buy a bale of clothes to take to Cuba. A bale of good clothes, more or less, costs about \$500. And already a Cuban pastor has asked me to please help him with a bicycle for the ministry.

Thank you for faithfully sending the support that meets our needs, including funds for medications and medical attention that my wife needs monthly. Pray for God to have mercy and heal my wife. My wife is very grateful for your prayers on her behalf.

Please pray for:

- ⇒ My wife's health and for all the support she needs
- ⇒ For God to continue adding new souls to the mission
- ⇒ For Fernando, a young man who suffered an accident on his motorcycle and has been totally immobilized for nearly a month-married with a son.
- ⇒ For a piece of land for the church - I think it is very necessary to grow.
- ⇒ For Brenda and Pablo, new to Christ, a young couple who need to legally formalize their relationship.
- ⇒ For God to provide special offerings to help us with the rent of the premises.
- ⇒ For the trip to Cuba; May we be a blessing to the brothers by bringing offerings of love to meet part of their needs.
- ⇒ For what is missing for the van for the ministry, as we grow we need it more.

Thank you brothers for your faithfulness in supporting us. You have been and are a precious blessing to us.

Your missionaries,

Sergio and Alejandra Herrera Zepeda
