Dear Pastor and Church Family

March 2023

As always we thank God for each of you. As we begin a new year, we are reminded that time is short to reach the lost with the Gospel. We started the new year with two major earthquakes, which, unfortunately, took more than 45,000 lives. There is a growing thermonuclear threat due to the war in Ukraine, and now, Iran has been seen taking their warships around Latin America. In Chile, hundreds of people lost everything due to forest fires. Intriguingly, the Doomsday Clock has advanced to “90 seconds to midnight,” which represents the total destruction of humanity. We must be busy in God’s work now. Praise God, we have a firm Hope for the soul, which penetrates even within the veil, where Jesus entered for us as a forerunner, made High Priest forever according to the order of Melchizedek. So like Paul we move on.

Unfortunately, my wife's health continues to have problems to the point that it is very difficult for her to climb stairs. The picture on the right shows the flight of stairs that must be climbed. This means that we must move the place where we meet as a church, since it is on the second floor. Please pray that God will provide us with about \$600/month for the rent of a new space. If you as a church are willing to help us with an offering for several month’s rent, it will be a blessing. As you understand, it's not easy for us to change; it’s like starting over. Please pray with us for a church plot. It is an urgent need so that the work can establish itself well and grow.

By the grace of God, the work continues. We have had beautiful meetings and good classes, ensuring that the brothers mature and become experts in the knowledge of the truth. Right now, I am sharing a good study of the book of Hebrews and the origin of the different sects and their diverse and strange doctrines. We are planning a conference for marriages in March and another on current affairs in light of Biblical prophecies, with the intention of winning new souls for the Lord.

Carlos, pictured in the red shirt, for whom we have been praying for 15 years received Christ during this conference, and he continues to meet with us.

A burden on our hearts is that we have to hand over the house we are currently renting in March, and here in Puebla it is very difficult to find a one-story house, or one with a bedroom on the ground floor, for my wife. Praise the Lord, we have found one, but the rent is more expensive. We will now be paying rent of about \$580/month.

The other thing that worries us a lot is that one of our daughters, after 4 years of marriage, has not been able to have children. Please pray for comfort and peace and that God will provide them with a child in His timing.

Please pray:

- ⇒ For my wife, that the Lord in his mercy will provide for her medications and therapies.
- ⇒ For brother Bernardino, who was a fellow-pastor. His health is poor to the point of not being able to walk anymore.
- ⇒ Because God provides us with a good place to rent for the church and offerings to help us with the rent.
- ⇒ Thank you, brothers, for bearing our personal and work needs with us. Your partnership continues to be a comfort and blessing to us.
- ⇒ Please, I ask you to pray for my daughter and my wife. Their situations break my heart. It is an emotional weight that does not leave. I know that I must rest in the Lord. Thank you for his help in providing for my wife's medicine.

You are all very much appreciated!

Your missionaries,

Sergio and Alejandra Herrera Zepeda
