Dear brothers & sisters in Christ,

July 2022

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.
Ephesians 3:20-21

We thank our God for your prayers and your financial support that you so faithfully give. Our wish is that God will continue to be glorified with the ministry that has been entrusted to us, and his glorious gospel will reach more places around the world.

BOLIVIA

We are very grateful to our God for his faithfulness as He allows us to serve him here in Cochabamba. We feel privileged to be instruments of his work and see his power in every detail of our lives. We are undeserving of such a privilege, and our desire it is to do it with excellence as He alone deserves the glory.

MINISTRIES

We praise God that the different ministries of the church are advancing satisfactorily despite difficulties. One obstacle we are facing is a need for more leaders. The strength of the Lord helps us to continue training the brothers so that they may reach spiritual maturity, allowing them to bear fruit. Five young girls gave their testimony of faith passing through the waters of baptism. We pray that they will continue to grow in the knowledge of the Lord and be used in His work. We are also grateful for the visit of our founder Pastor Rubén Quiroz and his wife, Lily. It was a time of great blessing to be encouraged and edified with his word to continue working for the Lord. It was possible to hold the one Conference called: "For his Church" with the desire to hold it every year, with special guests who can share his word.

WOMEN'S MINISTRY

The Lord is very good, and his mercy remains forever. God is working incredibly in the hearts of the women of the church through the studying of His Word. "Disciplined and Diligent Wise Women," It is a blessing both personally and as a church to see the ladies growing.

MINISTRY OF MARRIAGES

By the grace of God, we have several couples with the desire to invest in their homes. It is very difficult to have a healthy relationship at home when God is not present. We are encouraging and supporting these precious couples to know more about God and let themselves be guided by the Word. We desperately feel the need for this in what we believe is a worldwide family crisis.

SUNDAY SCHOOL KIDS

The children, by the grace of God, are very happy to have resumed their face-to-face meetings. They are the joy and the engine of the church that helps us to remain faithful in the work. They remind us to leave them an example to follow. Let us pray for their personal growth and that more children will be reached and trained for the service of our God.

YOUTH MINISTRY

We thank God that we were able to start this ministry with adolescents and young people. We pray that God may provide a leader for this ministry. We started with a few, but our desire is to reach more young people.

PRAISE MINISTRY

We are surprised and grateful to God for this ministry. The Lord is good and enlarging the heart of a couple serving in this ministry, Armando and Mayra, This dear couple is in charge of this ministry again after the pandemic harmed us.

OMEREQUE PROJECT

God surprises us every day for his faithfulness in the project, “Logos Omereque Baptist Church.” We have been able to demonstrate once again that with God nothing is impossible and that his desire is that we continue to reach the people of this place with his blessed gospel. It is not easy; the work is very hard and sacrificial, but the strength of the Lord sustains us to continue firm without fainting. We ask for your prayers for the children, young people, and families of this community with so many needs. They have a desire to know the Lord. Please pray for the Jaimez Panozo family, who carry out this project. They are a beautiful family that we support and encourage to be faithful in the work. A marriage has already been celebrated in the church, and they are very encouraged to grow in the grace of God. They are also grateful for the construction of the bathrooms and a beach volleyball court.

MINISTRY OF ANOCARAIRE

We thank God for Pastor Freddy, who is carrying out the work in Anocaraire. We rejoice in the restoration of his health. The work is advancing due to the committed work of the pastor and the brothers. A school support project was started for the community with very good results. Many people came to the church in search of school help for their children, and, through this means, more people are being reached with the gospel. We also have a great fellowship when we get together to participate in the meeting of married couples.

MISSIONS

Our sister, Silvia Villegas, continues to carry out missions in the east of the country. She makes trips to the communities that are only accessible by canoes. They brought a group of doctors to attend to these communities and witness to them. Our sister, Silvia is also leading discipleship in Trinidad and fellowship/ministry times with children when she is not traveling.
