Dear Brothers and Sisters in Christ,

July 2021

I bring you greetings in the precious name of our Lord. By God's grace and protection during this pandemic, my wife and I are doing well. God's sufficient grace has sustained us as a family and in ministry. We may not know what the future holds, but we know Who holds tomorrow. Our hope and confidence are in the Lord alone!

### **COVID-19 UPDATE**

The pandemic has presented us with many new life changes. It appears that COVID-19 will be with us for a while as the mutations only continue to spread at rapid rates. The Ghana Health Service notified the Ghanaian public that the Delta variant from India has entered Ghana. Thankfully, the infected individuals were promptly quarantined. As of July 18, 2021, the current national statistics show: 98,435 active cases; 95,024 recovered/discharged cases; and 810 deaths. A few of our church members had COVID; but, praise the Lord, they have all recovered and are now back worshipping with us! Please continue to pray for safety and good health for us and our church members.

### **FAITH INDEPENDENT BAPTIST CHURCH**

As a church family, we recently committed to five days of prayer and fasting. The focused time of self-denial strengthened our spiritual lives for the ministry ahead of us and greatly edified the body as a whole. We are excited to see how God will continue to work in the hearts and lives of our members in the weeks and months ahead.

In the month of June, I officiated two wedding ceremonies in our church and preached for another wedding ceremony at a different church. It is a tremendous blessing to see our young people giving themselves in holy matrimony and demonstrating the rightful place such a sacred commitment holds in their lives.

### **FAITH CHRISTIAN ACADEMY**

Thank you to those of you who contributed towards the debt of our Christian school. We would not be able to continue with this important ministry without your generosity. May our gracious Lord reimburse you a thousand-fold for your sacrificial giving.

### **OUTREACH MINISTRIES**

By God's grace, our ministries in Winneba, Mpota and Amasaman are all doing well. God is giving the increase, and souls are being saved. We praise the Lord for our members' positive responses to our church services. Please continue to pray for our church members and new believers as they grow in their walk with the Lord.
