Prayer Requests:

On March 3, Schumayk and I traveled to Uruguay for a 3 month stay. The brothers of the church that we founded there have asked us for help because the missionary, Sergio Duarte, who carries the burden of preaching, is on his tour of the United States. We will be there until May 30th, if God allows it. We hope to be of great help and blessing to our beloved church in Uruguay. It will be a great encouragement for them and us to work together again. We will take the opportunity to visit our Jewish contacts again. We greatly appreciate your prayers. For the care of the Lord in travel and for the ministry.

For God to touch the hearts of Jewish friends who are reading the Bible.

Update from the Field

Beloved brothers who support us with your prayers and finances,

We thank the Lord so much for you! We feel your faithful love towards us. In the midst of this turbulent world that we are living in, you are still there, firm and constant with a heart ready to help. Rest assured that you are participants in God's work through us.

In these last three months, we have seen the mighty hand of God. We made plans by faith, not knowing if it was possible to carry them out. Time after time, we were able to travel and minister where the Lord led us. Glory to him! We have enjoyed helping and supporting a church in Avila, to the west, replacing some missionaries (the Beyles brothers) who traveled to the USA. Then we traveled north, in the Basque Country to three churches, ministering there with preaching and my wife, Schumayk ministered with ladies and children.

At Christmas time, we were working with a church that does not have a pastor, helping them with their evangelistic Christmas celebration. We supplied a Christmas performance, music and preaching. The next day, we became sick with CoVid, and our whole family spent Christmas sick. We thank the Lord that he made us recover!

In February we were in Elche, Alicante, to the south east, preaching at a missionary conference and a regional meeting of young people from different Baptist churches. Young people and a lady made decisions for the Lord.

When we are in Barcelona, we supported two churches in Ripollet and Cerdanyola with teaching and evangelizing.

As for the ministry to the Jewish people, you know how important it is that they read the Word of God. The Jew normally, in any country that is not Israel, doesn't know Hebrew. Only those who read the scroll in the synagogue understand. The rest do not understand anything of what they hear. That is why our desire to bring them the Word of God in their language here, which is Spanish. A few months ago, we took Hebrew-Spanish Bibles to different Jewish organizations. We are very happy that a week ago, an Orthodox rabbi in Barcelona asked us for 40 more Bibles. They were very grateful that it was a gift.

Our daughter, Yonit, has already returned from Uruguay. Thank the Lord she finished her high school studies. God is good. Ezekiel is working.

Thank you, beloved brothers, for your love and care towards us, holding our arms so that we can serve others. The Lord take care of you, strengthen and reward you.

With love in Christ,

Manuel and Schumayk Moyano
