## Update from the Field

Dear Brothers & Sisters in Christ,

We trust that our great God and Savior is taking care of you, giving you courage and hope, as we await his imminent return now more than ever.

While in the midst of this global hecatomb, we, just like you, are looking for a way to continue moving forward through the thick and thin of life's circumstances. These are unusual times. The enemy is working tirelessly in attempt to keep us from moving and from serving, because that is what he wants. If you go here or there, some may label you as insensible or inconsiderate. But, dear brothers, we have chosen to remain active for the Lord. We cannot stop doing what is right and good as God's children and servants. We do not know how much more time we have to carry His gospel to the lost.

So, we continue to serve the churches in the area of Catalonia, helping regularly with messages, classes, studies, classes for children, and whatever else is needed from us. We are focusing much of our attention on one church in particular in Ripollet, which does not yet have a pastor.

The Lord answered our prayers, and Schumayk now has her Spanish document. That means she can now receive medical attention and travel abroad, among other things.

We do not know when the door to Israel will open because Spain is one of the restricted countries to enter. In this situation, which at times makes us feel imprisoned, we continue to contact our Jewish friends from a distance. We have also taken advantage of the opportunity to resume our study of the Hebrew language.

In July, as we had commented in our last prayer letter, we went to the South, to Andalusia. Our time there was a tremendous blessing.

## Prayer Requests

- To be able to maintain the vehicle we have and our trip expenses as we program our traveling itinerary
- To be able to upgrade our technology and ministry tools like our computer and printer
- For our daughter, Yonit, who returned to Uruguay for her studies. Lord willing, she will finish her studies in December. We are praying that the Lord will protect her and bring her safely home after. Please pray with us for her.
- For Ezequiel as he continues working and serving the Lord. He is doing well, praise God.

## RIPOLLET CHURCH FAMILY

The vehicle gave us no trouble, and we traveled more than 1,800 miles as we ministered in two churches in Córdoba, specifically in Malaga and Seville. We had the opportunity to visit relatives of mine, who are non-believers and devout Catholics. We were able to leave them with literature, and we've maintain contact with them since we left. Thank you for praying for our trip. It was a very blessed time, indeed!

In October, we ministered to churches in the North. This was something we longed to do for a some time. The Basque Country is 370 miles away. There are three churches there that we visited. When you pray for us, dear brothers and sisters, please ask the Lord to open a wide door for us to continue to be a blessing, to edify the churches, and to be able to continue taking the gospel with freedom to different parts of Spain.

Thank you for your prayers! What would we do without Christ, His power and wisdom? Thank you as well for your financial support, beloved family in Christ! May the Lord bless you and reward you for your love!

Serving the Savior Together,  
Manuel & Schumayk Moyano
