Dear Prayer Partners & Financial Supporters,

October 2021

We bring you greetings in the name of our soon-coming King, the Lord Jesus Christ. We thank God for His unfailing grace that continues to keep us during this pandemic. We are eternally grateful for your continual prayer and financial support toward the ministry that the Lord has committed to us. As our faithful partners in the gospel, it is always a joy to share with you what the Lord is doing among us.

### EBENEZER BAPTIST CHRISTIAN SCHOOL

The student body continues to grow in number. Currently we have over 750 children enrolled, and parents are still seeking enrollment for their children. Our challenge is that we do not have enough classrooms to meet this growing need, nor do we have a reliable bus to transport the children to and from school. Please pray with us that the Lord will provide funds for our Ministry Vehicle Project with a remaining need of \$20,000.

### EBENEZER BAPTIST CHURCH

The Lord has been good to us, as always. He continues to provide for the needs of the church. Since returning to church after the lockdown, our attendance has improved tremendously. What has helped to revive people's interest in church activities is the organizing of special programs. We recently organized a leadership seminar, a young couples' workshop (for those who have been married for up to ten years), as well as a special program for single adults. These programs have helped to meet the needs of the people among various ages and life stages. We plan to organize more programs for different target groups in the coming months.

The Ebenezer Baptist Church Expansion Project work has been slow but steady. With each passing month, the Lord enables us to do a little more work through the giving of the church members. We trust God to provide the remaining \$33,340 of needed funds to enable us to build a place of worship that befits our Great God. If the Lord would lead you to help with this need, please send your contribution to IPM, designated: "Asante EBC Expansion Project."

On August 26<sup>th</sup>, eight believers were baptized into church membership. Included in these baptisms were a young couple who got married last year as well as a young man from a different church who decided to join his wife in our church. Please pray for the spiritual growth of these new members as we disciple them in our New Converts Class.

### FAMILY NEWS

Almost every member of our family has been sick over the course of the past several months. However, in the midst of it all, the Lord was with us. He brought healing to each one of us at the right time. I (Alfred) am still battling body aches and pains, but I am depending on the unfailing grace of God to restore my body to health.

Our son, Isaac, completed his four-year degree in Business Management at the end of September. Dorcas will start the fourth and final year in her studies of Human Resource Management in October.

It is a great joy watching our three granddaughters grow. On September 10<sup>th</sup>, Anna and Dorcas traveled five hours to Kumasi to visit them. Angela, our eldest granddaughter, recently celebrated her sixth birthday.

**PRAISE & PRAYER REQUEST:**

- We are thanking God for granting us good health and for meeting our physical and spiritual needs.
- Please pray with us for strength to continue in the ministry, for the salvation of souls, and for the churches and individuals who support us
