Dear Prayer Partners & Financial Supporters,

December 2022

We send you greetings in the Name of our soon-coming King – Jesus Christ. It is our prayer that this finds you, your families, and ministries well in the Lord. We continue to thank God for our partnership and fellowship in ministry. Through your fervent prayer and generous financial support, we are able to do more to the glory of our God. May the Lord continue to bless you.

God Is Able Pastoral Ministry [GIAPM]: The Lord is blessing this ministry, geared towards assisting pastors in ministry. Our goal is “*Pastoring the Pastor*”, and the Lord has given us many opportunities to help pastors in their ministries, mainly through counseling and prayer. Now most of our pastors know that they can call on me to help deal with ministry, personal, and family life issues. The insurance plan we started for the pastors currently has fifty-two (52) pastors enrolled. The plan is growing, and we expect more pastors to get on board. On December 17, 2022, we are organizing an end of year fellowship for about sixty (60) pastors. Pray with us, that the Lord provides the needed logistics to make it a success.

Ebenezer Baptist Church:

- The numerical growth of our Christian school is quite encouraging. We now have over seven hundred and fifty (750) students, with some new admissions pending. However, we need more space to expand our infrastructure. Pray with us for funds to replace our outdated computers, and to purchase a school bus to convey students to and from school. It is a joy to have the opportunity to minister the gospel to the school students every Wednesday and Friday. I rejoice in the salvation of the students who have responded to the message of salvation.
- The attendance of the church has really picked up and grown steadily after the post-COVID return to church. However, the attendance for the evening services such as prayer meeting and Bible studies still needs to improve. Pray with us, that our people will get involved in all our services.
- We have six (6) people to be baptized into membership by the end of the year, and we regularly get visitors to our morning services.
- Our expansion work on the church building has stalled a bit because of financial constraints. We are trusting God to provide the funds for its completion.

The church celebrated its (46th) anniversary in November. Activities such as revival services, Bible Quiz, a keep-fit exercise, were organized. The whole celebration was climaxed with a thanksgiving service on Sunday, November 27.

Family: The Lord has been good to us, keeping us healthy and supplying our needs. On December 10, Dorcas graduated from college after completing a four-year course in Business Management, specializing in Human Resource Management. We thank God for giving her a job even before graduation. Thank you also for the birthday wishes and gifts to Anna as she celebrated her birthday on December 5.

Prayer: For God's blessings and direction for GIAPM and Ebenezer Baptist Church, Salvation of souls, Funds to complete the church's Expansion Project, God's will in the lives of our family.

Praise: For good health for the family, and for seeing all of us through 2022!

We take this opportunity to thank you all for your generous Christmas gifts, and wish you a Merry Christmas, and a happy and fulfilling New Year!

In the His Service,

Alfred & Anna Ofosu-Asante
