## John 1:5

*"And the light shineth in darkness; and the darkness comprehended it not."*

## Family

I ask for your prayers for my eldest daughter (Cesia), who has been dealing with an aggressive tumor for several years now. She has regular check-ups every six months to monitor the growth, and the last exam showed that the tumor is growing. Radiotherapy and chemotherapy options are available to her, but we need the Lord's wisdom to choose the provider and His provision for the cost of the treatment. My family and I would be most grateful for your fervent prayers with us on Cesia's behalf.

Reuben & Lidia Quiroz

## *Reaching the Latin world with and for the gospel*

Dear Beloved in the Lord,

May the grace and peace of the Lord be upon each one of you in a special way in these unprecedented days. God continues to reign and work in accordance with His redemptive purposes. Prayerfully, you will see that through this brief update on the ministry that God has called us to fulfill through church planting and theological education. It is my prayer that the Spirit of God infuses us with His joy as we serve our Savior together in 2022. We are very grateful for your love in Christ expressed to us through your prayers and financial contributions.

### *Planting Churches | Our Mission*

Despite the restrictions due to the pandemic, we have visitors in our weekly Bible study. Three souls made a profession of faith (Alexa, Johnny and Javier). Please pray for these new converts, that the seed of the gospel will yield fruit.

Laying the foundation of the faith through discipleship is advancing little by little as we address questions that arise in the believers in each lesson. We are prayerful that this new year will bring about baptisms and church membership so that we can then begin to plan the constitution of this local church plant.

One man coming to our Bible studies, though not frequently, is interested in knowing more about Christ. He comes from a background of alcoholism and is dealing with it. While he made a manifestation of faith, I am not sure if he was genuine. Please pray for him (Luis) and that the gospel will bear fruit in his life.

In November, we added another meeting time to cultivate congregational prayer and offer select studies. We are currently studying God's character and His attributes. Please pray that God will continue to transform believers in the affirmation of their faith and in their reverence for God's holiness.

## Praises & Prayer Requests:

- We praise God for the group He has given us as we are in the process of planting the church
- Please pray that new believers will be transformed by the power of God's Word
- Please pray for two teenagers and two young adults attending our Bible studies, that the Lord will firmly establish them in their faith
- Please pray for our lingering debt from our immigration process (including lawyer fees, forms, and other expenses related to the case investigation) and for God's provision of **\$3,000** to cancel that debt in full
- Please pray for the health of my daughter, Cesia, and for God's clear leading through open doors for her medical treatment
- Please pray for our travel to Bolivia & Argentina, for us to be a blessing and to edify others in the body of Christ

## Upcoming Travel

My wife and I will be traveling to Bolivia soon. My mother is in poor health. She had a medical emergency and underwent a small surgery to unblock her bile duct. She is recovering now, little by little. As most of you know, she is a colon cancer survivor. I haven't seen her in about eight years. While in Bolivia, we plan to take advantage of the trip to visit the churches that God allowed us to plant in Cochabamba. Lord willing, we'll have a busy few days.

We will also visit Argentina to see my wife's family. If you remember, she was unable to leave the US for Argentina when her mother passed away. We will also take advantage of our time in Argentina to make plans and contacts for our theological education ministry.

## Happy New Year

May this new calendar year of 2022 be full of blessings and renewed consecration to our Perfect Redeemer. May we continue to serve the One who is coming again soon.

Serving with gratitude,  
Reuben Quiroz
