Planting new Latin churches

Participating in works under
development

Preparing through theological
biblical training

*“Reaching the Latin World with and
for the gospel”*

*“Sing to the Lord, for He has done
excellent things;
This is known in all the earth” (Isaiah 12.5)*

Reuben & Lidia Quiroz

Hispanic Educational Consultant & USA Church Planter

Dear Pastors and friends of the ministry,

There is no greater joy for us than extending our greetings and thanks to you through the lines of this compact report. We are grateful for all the generosity of your hearts as expressed in prayers, calls, and offerings of love that you make in our favor and for the extension of the kingdom of God. It is my prayer that you feel your participation in everything that is happening by the grace of God and his merciful hand.

Planting Churches | Our mission

We continue to move forward with our mission to plant the church in the Smoky Mountains with the help of the Lord. God is doing His work and saving people, one of whom is a young woman of Honduran origin (Esther). After almost three months since her conversion, she gave testimony of her faith publicly through baptism. We continue to disciple the new converts, and God is doing a work of transformation as they begin to understand who He is and their personal responsibility as they have before God.

Participating with other Churches | South America

Our ministry is expanding into the Spanish-speaking world, which is why we were traveling to Bolivia and visiting Argentina in May. We ministered in Cochabamba, Bolivia where Pastor Antonio Jordan works. There, we had a series of special meetings with a group of women, couples, and supported counseling. Meetings were full of blessings and edification, with good attendance in response.

Then we were in Tucumán, Argentina, where we enjoyed serving with Pastor Miguel Fraga and his precious family. Miguel is doing an excellent and sacrificial job in several places, such as Rosario de la Frontera, a town two hours from where he has planted another church. It was a marathon of activities, ministering and preaching to the Lord's churches in this area. My wife was involved in both countries in special meetings with the ladies.

Participating in Conferences | Bolivia

After much prayer, and in response to the need for conferences, we initiated, with the help of God, the first conference called “For His Church” 2022, with a central focus on the local church and a high seriousness to expository preaching. This is the beginning of the conferences that will continue each year in Bolivia, with the prayer of extending them here in the USA and to other Spanish-speaking countries. The response and call for the first conference was very high, exceeding our expectations. We had to limit the number of attendees due to the capacity of the place and the restrictions due to covid19. We had more than 150 people participate, and the theme was “The Church, the fullness of Him who fills everything”. Can you please pray for this new challenge and the Lord's provision to build up the Lord's church through these conferences?

Participating in Theological Education | Bolivia

We also took advantage of this trip to instruct the teachers and leaders of the churches in the area of preaching. We know that the transformation of the people of God does not come by human power, but by the power of His Word. It is based on this that I made an introductory class entitled "The Danger of Systematizing and Atomizing the Text for Preaching."

Thanks and Prayers:

Praise for the protection of the Lord in these intense trips. Praise for the response to the conferences and theological education. Praise for Esther's conversion and for her baptism. Pray for the health of my daughter, Cesia. We received the news when we arrived home from our trip that we will be grandparents for the first time. This is good news for the family, but as you know she has a tumor that feeds on estrogen. During her pregnancy, it will produce a lot. Please pray for her health, especially that her tumor does not grow too large.

Our thanks to all of you who always are and will be part of everything that God is doing, and thank you for the generosity of your hearts translated into offerings and prayers to make the extension of the kingdom of God a reality. May the Lord continue to transform us and use us for His glory.

Serving with Gratitude,

Hebrews 12:28

Contributions to my ministry should be made payable IPM and sent to IPM, Inc. 100 Spring Ave. Hanover PA 17331-2717. Be sure to include a note designating "Quiroz Support" or any other special designations you may have for me. Thank you.

If you have a **NEW** email, please take a moment to contact us at office@ipmworld.org with your new email address.
Thank you.
