Dear Pastors and friends of the ministry,

We are in the middle of autumn, and the leaves changed color and began to fall, but, thank God that His Word remains forever. It continues to operate in its career of salvation and transformation of lives. It is with this thought that I extend my greetings and thanks to each one of you in a particular way. Emphasizing that, everything that happens in the service of God, you are a vital part accompanying us on this journey with your constant prayers and faithful offerings of love.

Planting Churches | Our local Mission

Ups and downs and tests are not excluded in God's work, sometimes external and sometimes internal tests. I ask for your prayers so that two new believers may have their hearts affirmed in the faith they put in Christ and let the Word of God transform them. It is always a joy to see the salvation of two new believers in the Lord (Kerin and Gabriela), a couple who placed their faith in Jesus as their only Savior.

I am working on doing the church incorporation with the tax-exempt paperwork. We are planning to use Church Planter which does all the legal work, but its cost is something that we cannot fully cover. Can you please pray for this need (\$2000)?

Blessed by other Churches | Summer

God has blessed us in a very special way this summer. God put in the hearts of the pastors of the Tabernacle Bible Church of Greenville, SC to make a mission trip to help us with our first summer Bible school. We had many children and adolescents who listened the gospel of Jesus Christ. We are infinitely grateful to the church and to the group of brothers who sacrificially invested time, money, and effort to minister during those days. Thank you!

Participating with other Ministries

God has given us the joy of knowing a flock of His in Knoxville, and it has been an enormous privilege to work together with them,

always with the desire to encourage and stimulate the churches of the Lord to a vision of improving the area of preaching for spiritual health and glory of the Lord.

At the same time, we also challenge and encourage local churches to provide theological preparation for their leaders and future workers. Along the same lines, after a long time, I was able to participate in the Search the Scriptures program, which is a space dedicated to interviews in different theological areas. The subject I dealt with was the “Danger of Atomizing and Systematizing the Text.” A blessing and a challenge, we continue encouraging and educating those whom God calls to the ministries of preaching and pastoral edification.

Thanks and Prayers Requests:

Give thanks for the salvation of a new couple (Kerin and Gabriela from Honduras)

Give thanks for the growth of new believers

For my youngest daughter, Topaz. She entered the Army as a combat medic. She is now in the training period.

May God keep and protect her in all this time.

For Cesia's pregnancy, and that the tumor she has doesn't grow much.

For Lucas, who continues to serve at the Lord at CEF in Philadelphia. Wisdom and Health.

For God to open doors for us to share the ministry to which God has called us and thus raise our support.

For the provision of the Lord to cover the expenses in the processing of the Incorporation of the new church that we are planting.

Thank God for his faithfulness and for being our reason for gratitude and trust.

In anticipation of Thanksgiving, I want to express my profound gratitude to our God for the lives of each one of you, friends, pastors, and churches, who, throughout these years, have been faithful companions in the journey of serving the Lord. May the Lord continue to transform us into the image of his Son and, by His grace, continue to use us for His glory.

May you have a blessed Thanksgiving Day with your loved ones. My prayer accompanies the spirit of gratitude that you will express to the Lord that day.

Serving with gratitude,

Hebrews 12:28
