Lamentations 3:22-23

"It is of the LORD's mercies that we are not consumed, because his compassions fail not. They are new every morning: Great is thy faithfulness"

Youth Ministry

Preparing for the Youth Retreat

By the mercy of God, we are planning our annual youth retreat to be held February 25th to March 2nd! We expect to host 300 youth from 13 different churches here on campus. With safety in mind, we have had to discourage a few churches from sending their youth this year, due to kidnapping hotspots they would have to pass through to get here. Pray for the guest speakers who will be bringing the Word to our teens this year. If the Lord is leading you to support this event financially, the cost is \$25 USD per camper.

Update from the Field

Recently, while traveling in Florida, my family and I took an Uber one night back to our hotel. When the driver realized where we were from, he passionately tried to convince me to leave Haiti right away. He shared how, as an immigrant, his life had improved so much since moving his family to the USA. After explaining to him what we do in Haiti and our reason for it, he ended the conversation by saying, "I hope you're right in your decision." Looking back at this past year, and even now, we agree with the prophet Jeremiah that, *"It is of the LORD's mercies that we are not consumed."* Despite the mess that Haiti is in, God's incredible faithfulness and lovingkindness is always present.

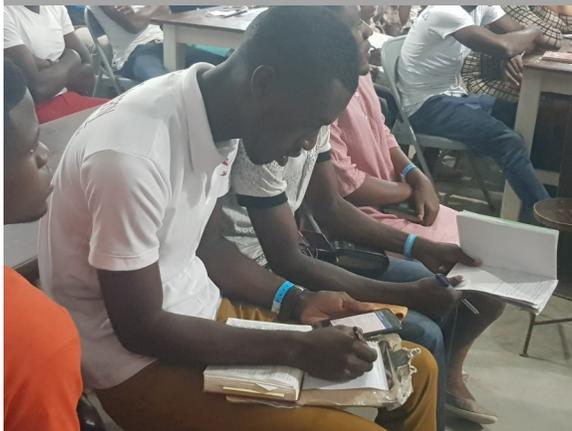

Bethesda Baptist Church

By the mercy of God, people are still getting saved through our church ministry. Despite many obstacles in 2021, our schedule was filled with events and programs. One highlight was the 3-day VBS in December. Someone once said, after visiting Haiti, that Haitians always have room for one more in their vehicles. This is true! However, this time we really did not have room for one more kid in our church. 303 children attended, with 83 of them accepting Christ as Savior. We want to say a special thank you to our friends at Calvary Bible Church in Hanover, PA, who donated the prizes that every child got to take home.

The Good Shepherd Clinic

By the mercy of God, the clinic continues to serve our community. Yet as the crime rate rises, our remote village is no exception. In December, thieves broke into the clinic in the middle of the night, escaping with a week's worth of cash from the pharmacy. Thankfully, no staff were harmed, and no equipment was stolen. We are working on increasing security by changing wooden doors to metal, installing additional security cameras, alarms, lights, etc. The most urgent need at the moment is to

Previous Youth Retreats

We cannot thank you enough for your sacrificial contributions to our ministry. A wealthy man once said, "I believe strongly in giving while living ... it's a lot more fun to give while you live than to give while you're dead." We thank you for your faithfulness and willingness to be part of serving those Jesus would call *the least*, knowing that whatever you do for them, you do for Him. -Matthew 25:40

begin installing solar lights in several strategic spots on our campus and clinic. This first phase will cost \$1,800.00.

Elementary School

By the mercy of God, we are able to provide education to the next generation. One of our 6th grade students, who was saved at our recent Christmas VBS, came with her parents this week to ask if she could get baptized. We thank God for a dedicated staff who are committed to teaching our students how to increase in "*wisdom and stature, and in favour with God and man.*" -Luke 2:52 We are happy to report that the first phase of the classroom expansion project has been completed. Thank you to those who prayed for and contributed to this project!

Praises

We thank God for providing for the SALEM Technical Institute. New computers have been purchased and are being installed in the computer lab!

We would also like to share with you about a new project that Dani has been working on for the past year. We became aware of life coaching in 2019 and saw the way that, when used in a Christian context, it could be a useful tool in ministering to and edifying those around us. She enrolled in a life coach training school, and will be completing the program and getting fully certified in the next few months. Not only have we been able to incorporate coaching into our ministry work here in Haiti, but Dani is also now using coaching to help other missionary wives to feel less overwhelmed and find more peace and joy in their calling on the mission field. Please pray for Dani as she seeks to minister to others in this way. If you would like more information, you can visit her website at www.daniellesaulcoaching.com.

Contributions to our ministry should be made payable to IPM and sent to IPM, Inc., 100 Spring Ave., Hanover, PA 17331. Be sure to include a note designating "Royden Support" or any other special designation that you may have for us. Thank you.

If you have a **NEW** email, please take a moment to contact us at office@ipmworld.org with your new email address. Thank you.
