Isaiah 55:10-11

“For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.”

How does God call the lost and save them? By the power of His Word. **God’s Word is a seed**, and it does not fail. As the rain and snow fulfill their purpose, so does His Word; it will fulfill His perfect will. We never know how God can use His Word. Even in a simple testimony or casual conversation, He will use His Word to plant and water that **seed** in people’s hearts. So, let’s be encouraged, dear brothers and sisters, to continue proclaiming the Good News of Salvation! It is a joy for us to write this letter to you, seeing how God is working in Uruguay, saving souls and giving spiritual growth to the new believers. We have much news to share regarding ministry, and we rejoice that God is answering your prayers in our regard.

THANK YOU

...for holding us up in prayer and for faithfully giving towards our ministry. God has been so good to us! Thank you for keeping in touch and for rejoicing with us in every victory as we spread the **seeds**. Our family is doing very well, praise the Lord.

Please receive our love from Uruguay, may God bless you very much.

Update from the Field

NEW CHURCH BUILDING

God has provided a new rental place for the church to meet! The building used to be a hardware store, and the location is ideal. Brothers and sisters from our sending church in Colonia came to help us paint and clean, making the place look much better, for His glory! (Before & After photo below)

Please pray that many souls will come to Christ with the use of this new building. God is working in Nueva Palmira, even though the spiritual soil is very hard. We trust Him to continue working in each heart. We are seeing new people come each meeting, as Covid restrictions have lifted. Please pray for those believers that are returning to church, that they would become firm in their faith. I am making several trips each Sunday, picking people up for church. The 8-passenger van has been such a blessing for our ministry!

NEW MINISTRY OPPORTUNITY

We have some very good news regarding an Orphanage for Girls which is right next-door to the church building. This place is semi-private (not 100% government run, which gives the authorities the liberty to allow the girls to

go to church, if they want to). The head mistress of the orphanage asked Andrea to come for an interview. She wanted to know how our church can work together with them to prevent teenagers from smoking and doing drugs. With much prayer, Andrea attended the interview, and God opened that door wide for us! They will encourage teens to come to all activities, and they even allow us to pick up some of the girls for Sunday school. God has great things ahead. Please pray for this new mission field that God has opened for us, in our very atheist society. Please pray specifically for the salvation of Doris (15) and Diana (13).

YOUTH MINISTRY

It is with great joy that we share with you that we have started for the first time a youth ministry in our church (pictured on the right)! God has guided us to have activities for teens and young people on Fridays, and we have had our first meeting with great success. A day before the meeting, along with some brothers and sisters from our sending church, we went out on the streets (near the local high schools) and gave out 100 invitations for the youth meeting, promoting a Bible lesson and a table game tournament. God gave fruit right away, and many young people came to the activity, curious to see what the "new thing" in town was. Six of them accepted Christ as their Savior! Praise the Lord! Some of these young people have already started coming on Sundays, eager to learn more about God. Please pray for their spiritual growth.

CHILDREN'S MINISTRY

The children's ministry is growing slowly. God is adding new kids to the group, and many of them have accepted Christ as their Savior and invited others. This makes a huge impact on their families. Please pray that we can reach whole families for the Lord, starting with these precious children. We had a special program for Easter and are planning several special children's activities for the year.

MEN'S MINISTRY

An urgent prayer request is for more Christian men in the church. We had the blessing of attending a Men's meeting in Colonia, where I took 2 men from Nueva Palmira. One of them, Horacio, is not saved. (He is sister Lima's husband.) Please continue praying for his salvation. He has heard the Good News. He knows the truth. Please pray that the light of the Gospel would shine in his heart! It was a wonderful and encouraging time for the men, seeing many other faithful Christian men gathered together. This is our prayer for our church as well!
