INTERNATIONAL PARTNERSHIP MINISTRIES
Your Partner With National Missionaries Around the world

Dear brothers of IPM,

Thank you very much for your spiritual and physical support, which is what helps us continue with the ministry that the Lord has entrusted to us. Thank you, for the affection shown to me in the United States. I really felt like family, and I was able to meet most of the brothers who work in IPM. Each missionary was very special; I do not want to name them because I could forget some. They were all a blessing in my life to continue forward in the work of the Lord.

I also want to thank each church that opened the doors for me to be able to show the ministry in Bolivia. Thank you for the privilege of sharing the Word, and thank you for your prayers and financial support that made it possible to cover my expenses. Thank you very much for the offering for my wife's surgery, which will take place in January. From each pastor, I learned important lessons that will always be in my mind and heart. To the families who welcomed me selflessly, showing me their love, there are no words to describe what they allowed me to experience. I traveled to many states, to Pennsylvania, Tennessee, Indiana, Florida, and finally to my beloved island of Puerto Rico, where my daughter studies, with whom I was able to spend a very special time. I really saw the hand of God in all this time. I am also grateful to my home church, Logos Baptist Church, that supported me a lot, together with the leaders who carried out the work in my absence. Thanks to my beloved wife, who carried the responsibility of the house sacrificially, with my children helping her and working in the ministries of the church.

Sunday school

We give thanks for this ministry that, Sunday after Sunday, instructs children with the Word. We concluded the year joyfully as we did the work that the Lord has entrusted to us. We thank God for every teacher we have with us. They show a life consecrated to the Lord. The Sunday school had a special Christmas celebration. We were very happy to have their parents with us, many of whom are not believers. The gospel was preached.

OANSA Children's Ministry

I am grateful to God that, this year, we had young leaders who began to get involved and serve in this ministry. It is a blessing to see how a new generation continues with God's call to serve Him. In November, this ministry concluded, giving time for the leaders to plan for what this new year will be like. We are grateful for each of the children we had this year. God has been faithful with His provision so that each of the children have their own materials to study.

Youth Ministry

This ministry is very challenged to continue growing in number. It began with discipleship, and attendance began to increase, and many of the young professionals are already supporting different ministries. We continue practicing volleyball, and through this ministry, we can share the Word of God. We continue with discipleship and preparing for the upcoming camp.

Women's Ministry

In their ministry meetings, the sisters, very challenged to do the will of God, continue to grow in their knowledge of the Word. They had a beautiful closing to the year together, along with guests. They are now preparing for what this new year will be like.

Anocaraire Church Ministry

During this time, we continued working with each of the brothers, challenging them in discipleship so that each brother can disciple another. The anniversary of the church was celebrated in November. A men's meeting was held, which was very challenging and encouraging to the brothers. The school support program was also completed with excellence. The number of children who come has increased. It is a great tool to reach more children and parents with the gospel.

Missions

In the area of missions, we visited 2 communities apart from Omereque, Pirhuas Sipe Sipe and Calatracani Vinto, where we carried out the evangelism program about Christmas. The gospel was preached to more than 140 children and their parents. They were given breakfast and given some small presents. Seeing the joy of these children was a blessing, and the biggest blessing of all was being able to share the gospel of salvation.

Our missionary, Silvia, worked together with Elizabeth, another missionary in Oromomo Trinidad. This is a community of the unreached. They are tribes from the Amazon jungle. The ladies made camps for the children and young people, sharing the gospel and strengthening the believers in this place with the Word. Now, our sister, Silvia, is returning to her ministry in the city of Trinidad. I ask for your prayers for male missionaries in the jungle. There is not a single one, only about 3 women serving in that place.

Omereque Project

We had the opportunity to go again and bring the Christmas program for children. It was a great time.

Thank you for continuing to partner with us as we minister. You are a blessing to us.
