Dear friends and partners in the Gospel of our Lord, Jesus.

I am very pleased to write to you this letter, though slightly later than I had intended.

My family is doing well, and we thank God for His grace to us thus far. Lydia recently got her Aliens' registration card, which is a necessary document for her living as a foreigner here. This is setting the stage for us to file for citizenship. Our kids are faring well. Our oldest, Jane, has moved to the first grade, and she is loving it. Our second born, Mayamiko, is turning three in February and will later be joining kindergarten.

My family was not able to travel to Zambia to visit family last year, and we are back on the drawing board for a trip in December. Lydia was, however, able to travel for her brother's burial. We thank God for His provision throughout that trip. We are so blessed to have a huge family here and abroad praying and supporting us during our time of need. May God bless all of you for your love and kindness.

## Church school

Our church school ended the year well. The year was full of challenges due to the difficult times we are in economically. Many parents struggled to pay school fees, and that made it difficult to pay our bills. In all things, we praise the Lord for his continued sustenance.

## Bible school

We were privileged to host IPM staff in September. Dr. Tom Wolfe and Pastor Kevin Maki joined us to teach our students through Pneumatology, the doctrine of the person and the work of the Holy Spirit. The class was a huge success, and we all learned a lot.

We are so thankful for the IPM team that took time to come and be with us. We praise the Lord, also, for many of you who prayed and supported this team and all of us during the week of class.

## Church

Our home church is going on well, and we thank God for what He is doing and has continued to do in us and through us. We continue to be busy with projects around our church plants. We have needed some renovations and remodeling here and there. We praise the Lord for providing in many of these projects so far, and we pray that we can do what we must as we trust the Lord for the maturity of these church plants.
