Greetings to you all from the Kouakou family.

We thank God, who never ceases to keep and protect us. We also thank God for His provision for our children as He blesses them in their studies. They are all at university, and the last one has just obtained his baccalaureate.

Our Dear Partners in the Ministry,

I share here an update of all God is doing in our midst. Thank you for your partnership with us as we serve the Lord.

Family

Glory to God for everything He is doing for us and for continuing to support us in His work. The children's school results are satisfactory. Our eldest daughter got married and is expecting a baby. My wife's health is improving, but we continue to pay for her medication every month. I recently graduated in English in Ghana and want to thank Dr. Seth Mouhenou for his support during my stay.

The Church

We thank God for the land purchase project initiated by IPM. It's a challenging situation for us currently, as we hold our services at our (Pastor's) house. We were evicted from the place where we used to worship. I cannot sleep; my eyes remain fixed on God, who has all the solutions. However, we are confident that the Lord will act in our favor, and we will continue to serve Him.

The Institute

We are finishing the final year in Abidjan and Aboisso. We also thank God for the land purchase project approved by IPM. May God allow us to move to the Institute's property, as the location where we currently hold classes is disrupted by their schedule. For the student graduation ceremony, an IPM member will be present.

Prayer Requests

1. Family

Pray for my wife's health. We spend \$90 each month on her medication.
Pray for the two orphans we are taking care of.
Pray for the safe delivery of our eldest daughter's baby.

2. Church

Pray for the approved land purchase project. It is a difficult situation for the church.
Pray that God gives me wisdom in my teachings.

3. Institute

Pray for the upcoming graduation and the next academic year.
Pray for my doctoral studies in Ghana.
Pray that God provides me with a vehicle, as I travel extensively for the training.

My desire is to see pastors and missionaries well-trained for the ministry.

Thank you. May God bless and keep you.

Your missionary brother,

Jean Luc Kouakou
