Serving the Lord in Haiti | 001.3660.3583 | rsaul839@gmail.com

Dear Friends and Supporters,

We greet you in the love and peace of Christ. We are grateful for the continued prayers, support, and partnership we receive from each of you, as we journey together in faith and ministry. We are writing to share exciting updates about the work happening here, along with a somber note about the loss of a dear member of our church family.

## Upcoming Youth Retreat:

We are excited to announce our upcoming youth retreat at the end of February, where we will welcome 300 campers from our church and the surrounding communities. This retreat is a significant event in the lives of our young people, offering them a space to grow spiritually, connect with one another, and deepen their faith in Christ. We have a special speaker and his newlywed wife coming, a young pastor who is eager to share the message of God's love and truth through worship, teaching, and fellowship. Please pray for the safety and hearts of all the campers, as well as for the leaders and volunteers who will be guiding and serving throughout the weekend. If you are interested in helping to sponsor this outreach, we have budgeted \$35 per camper for the 5-day event. We anticipate God will do mighty things in the lives of these young people!

## SALEM Technical Institute:

We are delighted to continue our program teaching computer skills to the elementary students. It is now taught by a young man from our youth group, who was a part of the very first class we taught. His dedication and passion for technology have made a significant impact, as he inspires and equips the younger generation with valuable digital literacy skills. We are proud of his growth and are excited to see how he will continue to improve the program. His journey is a testament to the power of education and the ripple effect it can create in transforming lives and communities.

## Good Shepherd Clinic Update:

The Good Shepherd Clinic has been a vital resource in our community, and we are thankful for the opportunity to serve those in need of medical care. Over the past months, we have seen a steady increase in the number of patients seeking treatment, particularly in the areas of lab testing and chronic disease management. With your support, we are able to provide essential medical services, often to individuals who would otherwise go without. We continue to train our staff and volunteers to provide compassionate, professional care to all. We were recently able to replace the old backless wooden benches in our waiting area with newly welded iron benches with backs. We also expanded our laboratory so that our technicians can more efficiently process the demand of lab tests daily. Thank you for your prayers for health and healing for those we serve!

## In Loving Memory:

It is with heavy hearts that we share the tragic news of the untimely passing of one of our youth group leaders. An outstanding young man who recently traveled to New Jersey through the Biden parole program, was coming home from work at midnight when he was the victim of a fatal car accident. His death has shaken our church and community to

the core. As a dedicated mentor and model of Christ-like leadership, he made an indelible impact on the lives of many of our youth. His passion for serving others, his wisdom, and his unwavering faith were evident in everything he did. He was not just a leader in our youth group, but a recently established lawyer in town, newly married with a one-year old son, and a role model to countless young people. His loss is felt profoundly, and he will be greatly missed. Please join us in praying for his family during this difficult time and for our youth, who are struggling to process this loss. May they find comfort in the hope we have in Christ.

Thank You for Your Support:

We are deeply grateful for your ongoing prayers and support. Your faithfulness allows us to continue the work that God has called us to here in Haiti. Please continue to pray for the continued growth of our different outreaches. We cherish your partnership and look forward to seeing how God will continue to move in the lives of those we serve.
