IMPLANTATION

We give thanks to God for all His blessings in the mission in Ivory Coast. All the missionaries and their families are doing well by God's grace. Director Zamelé Denis is currently traveling to Ghana for English classes. Several missionary visits to the various mission fields were made last year and continued in this second quarter of 2025 in the new mission field of Cocody Dzorobité.

Still on the subject of implantation, Missionary Boussou Nado Eugène thanks the Eternal for the successful missionary conference in his church of Port-bouët II from February 19- 23, 2025. This conference brought together 14 missionaries from the different mission fields. Since January 2025, Boussou Nado Eugène has begun the establishment of a new work in a sub-district of Abidjan called Kilomètre 22. Missionary Nado proceeded through door-to-door evangelization, and is planning a major evangelization campaign with a film screening in 4 months. Pray for this new work.

We also note that the quarterly results are good in the other mission fields and are blessed to report:

- 7 people saved in Soubré
- 2 people were saved in Daloa, including a Muslim named Kader. Pray hard for him!
- In Lakota, there are 6 new people saved who are preparing for baptism soon.
- In the Micao mission field, we have recorded 2 new people who have joined the brothers and sisters.
- In the Grand Lahou mission field, 8 new people joined the church after a brochure distribution last February.
- In Gueyo we have 1 young girl saved.

BIBLE INSTITUTE

Missionary Kouakou Jean-Luc thanks our Almighty God for his health and his family that God continues to bless and protect. He is also grateful to God for the training of students of the Bible Institute which continues well again this year. The current class in training is 15 students. 3 professors alternate to teach classes on Saturdays. It is a set of 10 major courses which are taught over 3 years and sanctioned by a Bachelor of Theology. We bless the name of our God who touched the hearts of our IPM Partners who approved the purchase of land for the future construction of the premises of the Bible institute. Pray for the availability of funds for the purchase of the land.

DEAF MINISTRY

Missionary Ekeni Brou Léonce thanks God for himself and his entire family. The Lord always takes care of him, as well as all the Deaf people living in his home. For this first quarter, 5 new Deaf people have joined our Deaf community and share worship with us. Among them, 2 have truly professed salvation, including a young Deaf man from a Muslim family. His name is Sangaré Mohamed. Pray hard for him. We have prepared 7 Deaf people for baptism, but only 5 of them are ready to go through the waters of baptism

on Sunday, April 20, during the Easter celebration. My wife and I accepted a young orphaned Deaf girl into our home this year. This makes a total of 6 young Deaf people in our personal care. Pray for our needs so that we lack nothing.
