Deaf and Blind Family

Easter Sunday Outreach

Online Bible Class

Dear Beloved Prayer Partners and Supporters,

June 2025

Greetings to you in the most precious and wonderful Name of our Lord and Savior, Jesus Christ!

With hearts full of gratitude and love, we want to sincerely thank each one of you for your continuous prayers, sacrificial giving, and unwavering support. Your faithfulness in the Lord has been a great encouragement to us, and your partnership in the Gospel is bearing much fruit in the lives of the Deaf community in India. Because of your obedience to God's calling, many who had never heard the name of Jesus are now receiving the light of the Gospel. May our Heavenly Father richly bless you and your families!

Easter Outreach Update

On April 20th, we held a very special Easter Outreach Service, and we saw the mighty hand of God move among us! Over 250 deaf individuals attended, and among them, around 230 were visitors from Muslim and Hindu backgrounds. It was truly a divine opportunity to share the life-changing message of the Gospel.

A group who had previously attended our Christmas outreach returned with great excitement. God opened many hearts that day. Several of them have expressed a strong desire to join us regularly. In fact, on the very next Sunday, even before our regular service began, a new group had already gathered, eager to hear the Word of God. We give all glory to Jesus for this incredible door He has opened for us!

A Prayer Request for Our Team

We humbly ask for your prayers regarding a difficult situation. One of our beloved team members, Brother Sourav, who was saved and baptized in 2021 and has been faithfully serving with us especially in our KJVeasy-ISL translation work, has recently decided to leave and join another organization (DOOR). He also preached every first Sunday in our church and was planning to marry a fellow church member, which would have been our first church wedding.

His decision has been heartbreaking for us, especially as we had hoped to mentor and train him to become a future leader or even a Deaf pastor. We've had past experiences where similar situations deeply impacted our ministry where others who were recruited away fell away from both ministry and fellowship.

This is a spiritual battle, and it weighs heavily on our hearts. We trust in God's sovereign plan, but the pain of losing workers, especially those we love and pour into, is very real. Please pray for our ministry, for unity and protection among our members, and for God's wisdom and peace to guide us through.

Upcoming Programs – Please Pray!

By God's grace, we are preparing for three important events scheduled for September 11–14:

1. **Bible College Graduation** – Five students, including four from Nagaland (Northeast India), will complete their one-year course and receive their Bible certificates.
2. **Deaf Camp** – A time of teaching, fellowship, and spiritual growth. We are expecting over 40 Deaf individuals from Tamil Nadu (South India) to attend this life-changing outreach.
3. **Evangelistic Outreach** – In August and September.

We covet your prayers as we prepare for these gatherings. May the Lord move mightily, touch lives, and raise up new disciples and leaders for His kingdom.

Thank you once again, dear brothers and sisters in Christ, for walking this journey of faith with us. Your love and prayers are a lifeline to us in the harvest field. May the Lord bless you abundantly and use you even more for His glory.

With humble hearts,

Biak Vaiphei & Family
Mission for the Deaf – Kolkata, India

Contributions for our ministry should be made payable to IPM and sent to IPM, Inc., 100 Spring Ave., Hanover, PA 17331-2717. Be sure to include a note designating "Vaiphei Support" or any other special designation you may have for us. Thank you.

If you have an email, please help us to help this missionary save postage by receiving his newsletter by email. Please take a moment to contact us at office@ipmworld.org with your email and home address and use "subscribe Vaiphei prayer letter" on the subject line.
