Family

Thank God for your prayers for my wife's health. She has remained stable through her illness. She is working as a teacher for children.

My children are serving the Lord. Now, I am praying for the Lord's guidance for my son. He took the exam to study architecture and is awaiting the results. If the Lord allows, he will be traveling to Puebla to continue his studies. May God guide us in finding a good place for him to rent. We will have extra expenses for him. Pray that the Lord will provide for this.

Thank God for allowing my daughter and me to celebrate our birthdays a few days ago. She turned 14 in June, and I turned 51. We hope that God will grant us many more years of service for Him.

Enrique, María Janeth, Haziel & Haniela

Beloved Pastor and Church,

In the love of our Lord Jesus Christ, we share with you our work here in Raboso.

Evangelism: In the month of April, we began winning souls in the town of Xuchapa, located a few minutes from Raboso. From the beginning, there was much opposition from the Catholic Church, but, thank God, five people accepted Christ on the town's main street. Last Saturday, five additional people accepted Christ.

God continues to allow us to work in the town of Pitayo every Tuesday. Thank God, Mrs. Jasmine was saved and now attends with her children. Mrs. Absentee was also saved two weeks ago and is willing to receive discipleship studies. However, these days, most people are busy planting their crops.

We also want to share with you, brothers and sisters, that we are very happy because the group of families we are discipling in the town of Tlapanala has grown, and we have begun holding services with five families at the home of Brother Rolando Samacona, who is the newest member. We had been praying for land or a space to rent to start a mission and hold services with all these families. By the grace of God, two weeks ago, He allowed us to find a space, and it will be available to us starting Friday, July 18th. We will begin holding

Prayer Requests:

1. For the wisdom in the ministry
2. For care and protection every time we go to Pitayo and Tlapanala
3. May God continue to provide for financial support.
4. May God provide us with a car for the ministry.
5. May God continue to open doors so that people will not only listen but also be saved.
6. May the Lord continue to work in the town of Tlapanala and Pitayo and allow us to begin a work in this place.
7. For our upcoming Vacation Bible School.

services, inviting three more families. If God allows, we are also planning our first Vacation Bible School there, since there are many children.

Hospital: We continue preaching every Saturday, distributing refreshments, and praying for the sick. On July 5th, Mr. Matías and his sister María were saved.

Activities: This month, we are preparing for Vacation Bible School, both by gathering needed supplies, as well as cleaning the grounds. We are pleased to see how motivated the church is in preparing for VBS, which will be held from the 22nd to the 27th.

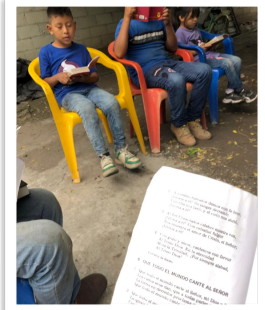

We continue to ask for your prayers for the lives of Brother Noé and his son Carlos, and for Sister Miriam's family, who have been steadfast in coming to church and in discipleship.

We continue working with the youth, doing so every Saturday at 10:00 am.

Dear brothers and sisters, we appreciate your prayers and support in the offerings you generously share with us. May the Lord bless you abundantly.

Sincerely,

Enrique Guzmán Valenzuela
