Dear brothers and sisters,

AUGUST 2025

We greet you in the name of the Lord, always giving thanks for the glorious hope that He gives.

In these last two months, I have not had any outings. As a family, we have been spending a very special time with Norma's sister. She died a few days ago. Her husband works in Bolivia, and her only son lives in Spain. Until they were able to come, we were with her. There were times I needed to find blood donors, and other times, I had to be available to care for her in her hospitalization. I had to cancel a trip to Salta and stay with Norma. However, the Lord has been using me during this time to counsel people from my computer.

I have continued my witness to the Mormons and Jehovah's Witnesses here. It is very difficult to attract the attention of the Jehovah's Witnesses, as they are prohibited from reading literature other than that of the watchtower organization. However, I continue to promote our facebook page in a local newspaper that reaches many homes. At the same time, I post posters around the city telling the truth about Jesus Christ. Please pray for the Jehovah's Witnesses here.

The Mormon facebook page is the busiest, as you can see in the photo. The page has 9,000 followers. I have spoken with many Mormons, especially elders (missionaries). Some have begun to question what they have been taught, but some have decided not to continue speaking. Please pray for the Mormons to accept Christ as their Savior.

I ask you to continue praying for wisdom, and also for protection, direction, and patience. This is a time to sow, trusting that His Word will not return empty. Your support through prayer is a comfort in this lonely and difficult service.

Brothers and sisters, I am always grateful to God for all that He does, and I am also grateful to you for your faithfulness and fellowship in our ministry through your prayers and offerings.

With love in Christ,

Miguel and Norma Galecio
