Serving the Lord in Cochabamba, Bolivia

INTERNATIONAL PARTNERSHIP MINISTRIES
Your Partner With National Missionaries Around the world

Beloved IPM family,

August 2025

We thank God for you who faithfully serve the Lord and are a great support to our ministry. Thank you for your prayers and financial support.

By God's grace, we are in very good health and are moving further in our efforts to preach the gospel to people outside of Cochabamba. These people have a great need for Jesus and have limited resources.

As a family, we face more challenges in serving God. My daughter, Salem, finished her summer program distributing tracts and preaching to Jews in Chicago. She is now returning to California to begin her classes.

Children's Sunday School

The teachers received training so they are better prepared to serve the Lord. The children continue to learn and are challenged to follow Jesus. We have a good number of teachers, which makes it easier for them to rotate and participate in Sunday meetings.

OANSA Children's Ministry

In this ministry, the brothers and sisters are very motivated to reach the children. One of the sisters involved in the children's ministry, who lives far away, began bringing children from her neighborhood so they could know Jesus and learn of His love. We are very happy to see the hand of God working both in the children and the teachers.

Youth Ministry

With the young people, we are now learning topics of Christian living, so they may have knowledge of how to please the Lord and live lives that give Him glory.

Women's Ministry

The sisters continue to learn from the Old Testament how God reveals Himself to humanity. They are greatly challenged in their knowledge of the Bible.

Marriage Ministry

In marriage meetings, we are teaching how to resolve conflicts and emerge victorious in submission to the Lord. We have a new couple who are attending church with great enthusiasm.

Anocaraire Church Ministry

The church in Anocaraire is very motivated to serve God. They held a camp for teenagers and another for children, which greatly encouraged the faithful. We pray that the two young men preparing for theological studies can serve in the church full-time.

Missions

Our missionary, Silvia, continues with the ministry of bringing the gospel to people in jungle communities. This time was difficult because gasoline is very scarce in our country, and they

couldn't get fuel for the canoe's motor. Thank God they were finally able to get enough gasoline to reach some places and deliver clothes, food, and the gospel.

Missionary Elizabeth is serving in Oromomo. There are no doctors there, and one of the men there fractured his foot and had to be taken out by plane for treatment. He is better now. Elizabeth continues serving with children and women in this community.

Omereque Project

The Jaimes family had to come to Cochabamba due to health issues for their son, Timoteo. He was hospitalized for a week, and then their other son also fell ill. They went through a very difficult time, but God strengthened them through the love of their brothers and sisters, and now they are preparing to return home.

We are receiving training to preach the gospel to people in universities, schools, and neighborhoods, and we had an outing with children from an orphanage.

Prayer Requests:

1. Wisdom for the new challenge we face as a family
2. For the spiritual growth of Logos churches
3. For Salem's studies
4. For our country, in this time of elections
5. For the commitment of the church leadership
6. For our ministries in the schools in Omereque and Anocaraire, so that more children may come to know the Lord
7. That God may open doors for us to evangelize

" But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God." Acts 20:24
