

Three New Names in Glory

The first name is Roxana, a lady from Peru who had been reading the Bible by herself for a long time, yet she didn't know what to do to be saved. The Lord brought her to our church, and, at her request, my wife went over the plan of salvation with her. Roxana was ready. She prayed right there, asking the Lord to forgive her from her sins, and inviting Jesus into her heart. What a joy, not only in heaven, but also here on earth! Roxana has been attending the services faithfully, and she is receiving discipleship on a weekly basis. Her life shows her desire for the things of the Lord.

The second name is Sergio, a young man who had heard of Jesus and His salvation before, but had many questions and wrong ideas about it. The Lord gave me the opportunity to answer some of his doubts in a conversation that lasted almost two hours. Some days later, he prayed accepting Jesus as his Savior. Please, help me in earnest prayer for Sergio. He is from another town, and we don't get to see him very often. Pray that he will stay firm on his salvation, and will not allow Satan's lies to hinder his Christian growth.

«I say unto you, that likewise joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance.»

Luke 15:7

Joy in Heaven... and on Earth!

Dear brothers and sisters in Christ,

Christian greetings from Spain! We are back with joy and gratitude in our hearts for the many blessings the Lord has bestowed upon us since our last letter. The faithful care of the Lord for His children is by itself a source of joy and thankfulness, yet the Lord has blessed our family and ministry even more abundantly with the birth of our seventh grandchild, and the new birth of three souls!

The first Sunday of June we devoted the afternoon service to pray for the missionaries we support and for their ministries. At the same time, I was praying inwardly for some "signs of life" in our congregation, because we don't see new converts very often at all. That same evening, after the service, a lady called Roxana, who was visiting our church for the second time, asked my wife to talk with her privately: She wanted to be saved. A few weeks later, the Lord used me to help a young man to understand God's plan of salvation. Finally, during children's camp, He used our daughter Francina to lead an eight-year-old girl to Christ. What an answer to prayer! Indeed, our Lord is mighty to save!

Three New Names in Glory

The third name is Beatriz, a young girl from Parla, a town near Madrid, quite far from Mataró. Our daughter Francina was her counselor at MCCB (Monte Calvario Campamento Bautista) and was able to lead Beatriz to the Lord to be saved. Let's pray for Beatriz, as she will continue her new walk with the Lord in a Baptist church in Parla, Madrid.

Ladies' Meeting and Summer Concert

The ladies had a special meeting to close their Bible study until September. It was scheduled on July 12th (Saturday), but the Lord had other plans, and it was cancelled due to extreme weather conditions. So the meeting was put off to Sunday July 13th in the afternoon. Due to that change the number of ladies who could attend almost doubled. The Lord wanted all of them to listen to the challenge that Sis. Noemí Montoliu from Huesca brought to them on the theme *The Valued Woman*. On July 27th we had our annual recital with good participation of young and old.

Answered Prayers & Requests:

- Again, we are very thankful to the Lord for the birth of our 7th granddaughter Edén. She was born on June 25th after a long delivery. Yet, mom Loida recovered very quickly, and the next day they could go home with the rest of the family. Edén is the fourth child in the Stewart "clan". We are so very thankful for them all! Please, help us in prayer for this precious family, that the Lord will keep them all in His ways!

- We also thank the Lord for the good outcome of the Music Recital. There were many visitors, some of them unsaved, who heard not only the music, but also the Gospel. It was a great blessing to see the "new generation" taking part in the event and praising the Lord with their voices and talents, just as Jesus said: *"Out of the mouth of babes and sucklings thou hast perfected praise"* (Mt. 21:16).

- We covet your prayers for the Summer Family Retreat which will take place in a few days from now, and also pray for the physical need of some members of our congregation.

Closing Words

Dear friends and co-workers in our service to the Lord, we are so delighted to share with you such a joyful report. Now three more souls can join us in singing: *"There's a new name written down in glory, and it's mine! oh yes, it's mine! And the white-robed angels sing the story, 'A sinner has come home'..."*. Glory to God for Roxana, Sergio, and Beatriz, who "came home" recently, and thank you for your faithful prayers and support, which allow us to be there, ready to show the way home to those who come along.

In Christ with a thankful heart,

The Rosa family
