INTERNATIONAL PARTNERSHIP MINISTRIES
Your Partner With National Missionaries Around The World

November 2025

We are contacting you again through this letter to inform you about our ministry in northern Argentina.

As always, we deeply appreciate your prayers for our ministry, as well as your financial support, which is a great help in advancing the work of our Savior. We always thank God for allowing us to be useful in His work; we are here only by His grace.

Regarding La Gracia Baptist Church (Tucumán) and FE Baptist Church (Rosario de la Frontera): In September, we had the pleasure of a visit from Pastor Giovanni Avendaño of Guatemala, Regional Director of our mission. He spent two weeks teaching at the churches and Bible institute. The topics he covered at the Bible institute included Christian life for the Church and the Apostle Paul's letter to the Romans. We are very grateful to God for the visits of men with experience and vision in ministry, who help strengthen leadership and enhance the ministries of our members. It is wonderful that our brothers and sisters are taught in their own church and can use their gifts and talents where the Lord has called them.

Regarding the churches, at Grace Baptist Church, we have begun a new ministry on Wednesday mornings and afternoons. A married couple from the church is discipling those who have received Christ and is teaching and counseling people who are visiting the church for the first time. This is a great help to the church and a great opportunity for the members to serve in the work.

At Faith Baptist Church in Rosario, we continue praying for progress in the construction of the main hall without neglecting visitation and the other ministries the church has. I ask for your prayers for the church leaders: Roque Arroyo, in charge of church construction and visitation; Guillermo Torres, in charge of adult Sunday school; and for the sisters involved in the women's ministries and children's Sunday school: Magdalena Torres and Claudia Salas.

The Marriage Ministry is also still active. We've held retreats with married couples from both churches, offering activities and teachings to strengthen our spiritual lives and marriages. It was a beautiful time with two married couples and two couples who came for the first time and heard about the plan of salvation. May the Lord work in the hearts of these people and guide the decisions they made for their future.

Regarding the ministry to the mountain churches and indigenous communities, we haven't been able to reach them due to a lack of resources and a vehicle in good condition. The roads are very difficult and at high altitudes. We trust in God's provision and that we will soon have the resources to reach these communities.

Brothers and sisters, the end of this year is approaching. In our hearts, the desire remains to continue being useful to God's work, and our commitment is to continue praying for you, your church and ministry, as well as your country. Thank you for being part of the work in this part of the world. The Lord is faithful and is coming soon.
