Serving the Lord in Cochabamba, Bolivia

INTERNATIONAL PARTNERSHIP MINISTRIES
Your Partner With National Missionaries Around the world

Dear IPM family,

November 2025

We always thank God for you, and we pray that our God may strengthen you at all times so that you may continue serving the Lord greatly. Thank you also for the support of each brother and sister through your prayers and finances. Your partnership enables us continue the ministry that the Lord has entrusted to us.

We have already found a property to live in outside the city of Cochabamba. We made an agreement with the association that owns the place, and now we are working on the renovations so we can move in. Once completed, from there, we will be carrying out our ministry. Cleaning the place is taking a little while, but little by little it is starting to improve.

We recently held a marriage retreat for church couples, and it was a great blessing for each couple. We will soon be holding a camp with children and youth.

We give thanks to the Lord for our children, who are a great blessing. Esteban is working as a children's soccer coach, and we pray that one day the children will come to know the Lord. Salem is in California with excellent grades, and Gabriela is finishing her homeschool classes and has adapted well to the pace of her studies.

I am also grateful for my wife. She is a wonderful woman whose support and help encourage me to move forward with even more enthusiasm and face new challenges in ministry.

We also greatly enjoyed our 25th anniversary as a church, which included a visit from the church in Anocraire. It was a truly blessed time.

Sunday School for children: They are now concluding their term, and each teacher is very enthusiastic about everything that has happened this year. It is clear that the children are growing in the Word of God. During this time, the teachers will be preparing for next year's program.

OANSA Children's Ministry

We are very happy to see what God is doing in this ministry. One of the sisters is bringing 10 children from her neighborhood, which is far from the church. These children come from Catholic families with limited resources. They are very happy, and we pray for their salvation.

Youth Ministry

Currently, the studies being conducted are on dating and finances. These young people are at a time when they must make good decisions for their future, and we want to help them do so biblically.

Women's Ministry

During this time, the sisters' attendance at their meetings has decreased. It may be that at the end of the year, their children are finishing school, and they are very busy, but they continue with their faithful study of God's Word.

Marriage Ministry

With the marriage ministry, we had a retreat where we were challenged by God's Word, and each couple made a commitment to God. The topic covered was, "Resolving conflicts God's way." This was a beautiful time of fellowship among married couples, sharing fellowship with one another.

Anocaraire Church Ministry

In the church, all ministries are developing in a way faithful to the Lord. We are very grateful to the Lord for the pastor and each of the brothers and sisters for their loving service and faithfulness to the Lord. The different ministries are also concluding their year-end activities and preparing for the church's 24th anniversary, which is this month.

Missions

The work our missionary Silvia does is very difficult. She is going into the jungle communities, traveling for about four days by canoe to reach them, facing the dangers of the jungle. We pray for her protection and that the Lord will continue to use her, bringing the Word to these places where few can reach with the gospel.

Omereque Project

Our brother Jaimes continues serving with children and young people, challenging them to grow in the Lord and become future leaders in the Omereque community. Thank God, they did not suffer from drought this year; the water supply was sufficient.

Tolata Project

This is a new challenge that God placed in our path, a new work in a rural area. We made an agreement with an association to work on their property with camps. We will also work with the pastoral family, evangelizing in this place where there isn't even a Christian church.

The property had been uninhabited for five years, and everything was in disrepair. Little by little, we are cleaning up the place and starting the ministry.

Prayer Requests:

1. Wisdom for this new challenge in Tolata and for evangelizing there.
2. Strength for my daughter Salem and her studies.
3. For our country, that with the change of government the economy may improve.
4. For the leadership of the church.
5. That God would open doors for evangelism in Bolivia.
6. That more workers would rise up from the churches.

Contributions for our ministry should be made payable to IPM and sent to IPM, Inc., 100 Spring Ave., Hanover, PA 17331-2717 Be sure to include a note designating "Jordan Support" or any other special designation you may have for us. Thank you.
