

Amazing Creation Wonderful Grace

The first weekend of December we had Prof. Andy McIntosh from UK with us to speak in our yearly Education Conference. On this occasion, we didn't have a Family Retreat because we could not fit it in our calendar, nonetheless on Saturday the Conference took place in another venue, a camp site in the countryside near Mataró. The

first two days Prof. McIntosh talked about the amazing design of God's creatures: the human voice, the birds' feathers and the bombardier beetle. On Sunday, Prof. McIntosh preached on the Wonderful Grace of Jesus, which is all powerful to reach and save every sinner who comes to Him in repentance and faith. Prof. McIntosh had some words for the small children too, inviting them to trust in the Lord for their salvation.

Let's pray for Prof. Andy McIntosh and his worldwide speaking/preaching ministry.

*«but unto them which are called, both Jews and Greeks,
Christ the power of God, and the wisdom of God.»*

1 Corinthians 1:24

Christ, the Power of God

Dear brothers and sisters in Christ,

What a blessing to be back with you one more time! The Lord has been faithful since the last letter we sent as it couldn't be otherwise (2 Ti. 2:13)! We pray this letter finds you well and active in the work for the Lord.

First of all, we want to give all the credit for our work and ministry in this corner of Spain to Christ, the power of God. These months have been busy and full of things, yet in all of them the Lord has blessed and helped us with His power. He allowed us to have all the activities planned, the Education Conference, some Christmas activities, and more recently, starting in January, a ministry with children on Saturdays besides the regular ministries with the youths, the elderly and the ladies. We know we can do nothing out of the power of God, so the last Sunday of January, we had a special afternoon service to pray for the missionaries we support, knowing that we are prayed for as well by faithful believers like you and faithful churches like yours. Indeed, God answers prayer!

Education Conference 2026

United in Prayer for Missionaries

“Descubridores” Ministry Restarted

After several years without this ministry, it is a great blessing to resume it with a new “badge” of children. Three mothers of young children took the initiative and my wife is helping them with ideas and some advice. The ministry with children is very important for us because they,

being the next generation, are the ones who will pass on the faith, shining for their Saviour. They are a priority in our our prayers, that they will be really saved, and so are their parents, who have the responsibility to train them up in the way of the Lord.

Right now we have five children who come regularly, and some other five who come sporadically. Help us in prayer for these young souls.

Christmas Presentation & New Year’s Eve Dinner

This year we had little time to prepare our Christmas presentation so we kept it very simple. Nevertheless we had a lot of visitors, and many of them were unsaved relatives who had the opportunity to hear the Gospel clearly preached. On December 31 we had a special dinner, and afterwards a time of fellowship, a time to remember God’s blessings during 2025 through pictures, and a time of prayer for the new year 2026. We thank the Lord for His many blessings in these special events.

Answered Prayers & Requests:

- In November our granddaughter Seana was dedicated to the Lord by her parents, David and Maria. We covet your prayers for this precious family, and for the other families with young children in our church, that they will raise them in the nurture and fear of the Lord.

- We thank the Lord for the visit of Bro. Mark Bach, who spent some six or seven weeks in Barcelona, learning the Spanish language and getting more acquainted with our culture. The Lord called Bro. Mark to be a missionary in Andorra, and we are praying for him, and ask you to pray for him as well.

- We praise the Lord for the very recent birth of our eighth grandchild this past Saturday, January 31st. Little Daniel is a healthy and strong baby. Please pray for the total recovery of our daughter Ruth. Also, pray for the missionary work of the Norwood family in Jerez de la Frontera. We would like to go to Jerez with our young people during Easter week to do some Colporteur work, yet we are not sure it will be possible. Help us in prayer to understand the Lord’s will in this matter.

Closing Words

Dear brothers and sisters in Christ, thank you for your prayers, care and support. The Lord has been so good and faithful in leading us into a new year, and our desire is to serve Him faithfully in 2026. May you be full of joy as you continue serving Him in the place and ministry He has put you in.

Have a blessed and fruitful 2026!

Sincerely,

The Rosa family
