INTERNATIONAL PARTNERSHIP MINISTRIES  
Your Partner With National Missionaries Around The World

February 2026

We give thanks to God for a new year that allows us to continue serving Him. Likewise, we thank each of you, my dear brothers and sisters, who accompanied us in 2025 with your prayers and offerings. Thank you for taking the time to read the reports we sent, which are a testament to God's faithfulness in our lives and ministry.

In December and January, the Lord worked in a marvelous way through the Christmas evangelistic project, "One Step Further." Truly, our God is able to do immeasurably more than all we ask or imagine... (Ephesians 3:20). There wouldn't be enough space to tell you all about the Lord's work, but I'll summarize it as follows: 6 hot chocolate events, the gospel was preached twice outside the church and four times inside, approximately 1,650 people—adults, youth, teenagers, and children—heard the good news. We shared panettone and hot chocolate with everyone, distributed 630 toys to the children, and witnessed 135 people expressing their faith in Jesus Christ. Glory be to our God! Please pray that the seed planted may grow in each life and bear fruit in due time.

The Lord was not only at work in good times, but also in adverse times, and we say this because we suffered the passing of our sister, Lorena, one of the first believers in our ministry. The Lord allowed us to share the Word of God with her family and friends, both at the wake and at the funeral. We give thanks to the Lord, since He worked in the lives of five people who declared they had made a decision for salvation.

Following this event, seeking evangelization, fellowship, and spiritual growth, we held our summer camp called, "DECIDED" from January 28th to February 1st. Thanks be to the Lord, we had a group of 78 people, including believers and non-believers who were invited by members of our church and also members of a sister church. For four days, the Lord worked in hearts, and as a result, four people gave their lives to Christ. Please pray for Yesica, Camila, Itzel, and Andrea. Also, two families who had drifted away renewed their commitment to follow Christ and be faithful to the Lord.

The Bible says that work in the Lord is not in vain.

## PRAYER REQUESTS

The ministry is growing, and we see the need to dedicate more time to serving the Lord this year. I ask for your prayers for our family's sustenance, especially to cover the medical expenses for my wife's treatment, which are approximately \$300 per month. Please continue praying for a generator we need. Now that it's the rainy season, power outages are frequent, and we need approximately \$800 to purchase a generator.

It is our prayer that in 2026, we can count on your support in this ministry the Lord has given us in this part of the world and that we can form a team for the glory of God.

In the love of Christ,  
Pastor Edwin Mamani and family
