Beloved brothers and sisters! We hope you are well. With the encouragement and strength that come from our Heavenly Father, we will continue forward until the coming of Jesus Christ to take us.

We will never return to 2025. We begin a new year, and we do not yet know what the Lord has prepared for us.

In the last three months of 2025, we were ministering and evangelizing in different places. It was a joy to go, with the Lord's help and with your help through prayers and financial contributions!

We were able to visit and help the brothers and sisters in Uruguay, at the ministry we left six years ago with Brother Marcelo Murial. We also were with the deaf brothers and sisters, answering questions about God's plan. We took the opportunity to visit Sister Miriam, the first Jewish woman to believe on Christ many years ago.

Then we flew to Paraguay with our daughter's family and were able to spend some time with them in different activities. It was very special. Grandchildren change from one year to another!

In Asunción, we visited a very large church and also a simpler one where the Maidana brothers minister. We had the opportunity to learn about the missionary work in the Paraguayan Chaco. It was very edifying.

We also went to Chile. The brothers there paid for our tickets, and it was wonderful to be with such dear friends.

Afterward, we returned to Barcelona, and now we are helping out at the church where we attend and at some others that call us to minister.

We remain in contact with brothers in Israel, always, and are waiting for the Lord to give us the opportunity to serve there for some time. We trust in Him. Don't forget us in your prayers!

Prayer Requests:

- Our ministry in our area.
- For the upcoming trip between April and June, to replace Missionary Bonikowky in the north of País Vasco.
- For the souls to whom we preach the gospel wherever we go.

It is so encouraging to know that we have brothers and sisters in Christ, so far away, but so close at the same time!

We love you!
