# The MOYANO FAMILY

Castellbisbal, Barcelona | Spain | [casadelprincipedepaz@gmail.com](mailto:casadelprincipedepaz@gmail.com)

Beloved brothers and sisters of the church,

We thank the Lord for you and for your faithfulness in praying and in helping us with so much love.

We want to tell you about our ministry so that you know you are part of this work, which, by the infinite grace of the Lord, we are able to do.

These past few months, since we last wrote to you, we were able to serve in churches in Gerona and Tarragona, and in the church in Mataró on its anniversary. We both taught in the congregation in Barcelona, where we congregate. I preached, and Shumayk taught the children and a course for children's teachers from various churches.

We haven't forgotten the importance of evangelism. With the help of Brother Josué Valcarcel, we have adapted the Gospel of Luke for the Spain of our time, where most people don't know anything about the Bible. The Gospel of Luke contains the whole life of Christ. We leave the Gospel of John for discipleship.

We continue to be in contact with brothers and sisters in Israel through two online groups we created, clarifying the news from there for the brothers and sisters in the churches. We encourage everyone to continue praying. We clearly see that everything points to the imminent return of Christ, and we cannot allow ourselves to be deceived by the voices of the world.

During this time, and until June, we are going to be in the North, in Errenteria, serving and helping, preaching in the services, and Schumayk with the sisters. We are also inviting and evangelizing, substituting for the missionary family of David and Raquel Bonikowsky, who are in the USA, visiting the churches. We ask for prayer for them. They need support in this very difficult part of Spain.

The Biblical Baptist Church of El Puerto has been around for many years, but the people here are very hard-hearted and resistant to the gospel. The brothers and sisters are a small group, but they persevere, like a lighthouse in a harbor. On April 26th, the choir from the B.B. Church in Irún came, and we put up posters in many businesses, inviting our neighbors.

We have plans to travel to southern Spain, to Andalusia, in August, to minister at some churches and visit my sister and some relatives to share the gospel with them again.

We have received requests from Uruguay to help out this year. We are praying for this and leaving it in the Lord's hands.

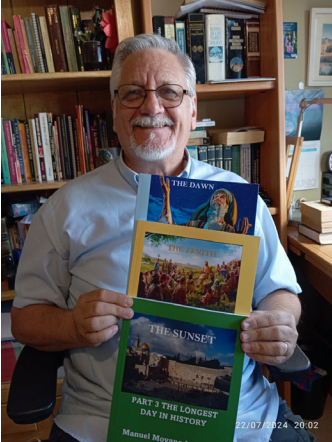

We ask for prayer during this time here, that we may be a great help, encouragement, and blessing to the church.

Prayer Requests:

1. For our trips: the Lord's provision and care. We trust in Him.
2. For our daughter Yonit, who will participate in an evangelistic trip to southern Spain in May, and in August, for the second time, on a trip to support a church and children's ministry in Northern Ireland.

I want to remind you again that my book is available on Amazon in English and Spanish, in one volume and in three volumes. The Longest Day in History, by Manuel Moyano Lobera. My book explains how to evangelize a Jew.

Also, on the topic of abortion, I published a small book of poems. If anyone is interested, just ask us for it. Missionary Kent Albrich helped us with the publication and added the address of a pro-life organization.

Thank you so much, beloved brothers and sisters, for reading this letter!  
May the Lord reward you, bless you, and give you much fruit from your labor.

Your financial support is extremely important for us as we move from place to place, use it for materials to help with projects in Spain. Thank you!!

Maranatha!
