

JUNE 2026

Greetings to you.

We give thanks to the Lord for our sister Dot Taylor—for her courage, her desire to always do well, and her love of the Lord as IPM's new chief of staff.

We give thanks to the Lord for our brother Matthew Barfeld, a man of vision with a spirit of discernment. (2 Timothy 4:2) Whether the opportunity is favorable or not, a faithful preacher proclaims the Word, regardless of whether it is received. This is precisely what Pastor Matthew Barfeld is doing; he is taking advantage of the World Cup to continue presenting the Gospel through various strategies, such as the video testimonies he is sharing. Because our country is participating in the World Cup, our team was able to contribute video testimonies that we pray will impact souls and lead to salvation of our people around the world.

Family News By the grace of God, the family is doing well; my son, Boussou Moaye, has taken his baccalaureate exam. The good hand of God watches over us.

Ministry:

- This year, I am taking English classes in Ghana.
- This quarter, I conducted a baptism service in Port-Bouët. Fifteen people were baptized.
- We organized an evangelism campaign; 39 people confessed Christ. 3 people have remained with us.
- We organized a visit to Soubré for a meeting with Dr. Seth Mohenu regarding the restructuring of the mission committee.

May God bless all the leaders of IPM.
