Dear Brothers,

JUNE 2026

We greet you in the name of the Lord, always giving thanks for the glorious hope that the Lord is coming soon. Brothers, I hope that the Lord is richly blessing you in all areas of your life, spiritually as well as materially.

In the month of March, I taught a seminar in a baptist church in Buenos Aires' Capital. About 400 people participated in that seminar because it was transmitted by zoom for the brother who could not be in person.

In my previous report letter I left you with a prayer request: the journey to the north of Argentine, to the province of Santiago Del Estero. Thank God, the seminar was held and was a great blessing. Brothers from two churches participated. Not everyone who participated in the seminar is in the photo; we remembered late to take the photo, and the participants who lived far away had already left. Three people from another church participated in this seminar as well, all three of them trusting in a gospel of "faith plus works." All three people made the decision for Christ. Two of them had been baptised about three years ago. It's hard to understand that it is like this, right? Unfortunately, today there are many Christians who believe that sincere prayer saves the sinner.

Brothers, there were many blessings in these months. In the month of April, like every year, I was at the Word of Life Bible Institute in the city of San Miguel Del Monte, Argentina. Here, there were students from Spain, Italy, and some Latin American countries. This year, the first year students exceeded 100, though they are not all in the photo. Many were absent a few minutes before because they had to take care of the kitchen and dining service.

In the month of May, I was building on the foundation at ESEF in the province of Salta. While in the capital of Salta, I had the opportunity to give my testimony, preach the gospel, and have a talk about spiritism and religious occultism, sects in which I was involved. There, six people received Jesus Christ as their Savior.

While there, I had the opportunity to conduct a seminar for a church in Campo Quijano. ESEF provided the venue because the location was convenient for many people.

From the province of Salta, I traveled to the province of Jujuy—specifically to another Bible institute I have been visiting for several years. That institute is located atop a hill, and young people from various Argentine provinces study there.

After finishing there, I traveled to a city in Jujuy called San Pedro de Jujuy. Wonderful things happened there. I won't go into the details, but I do want to share one thing: many of the people in the photo are youth and teen leaders. One of them shared this with me: "Brother, I

was deeply concerned yesterday, and let me tell you why. I started talking to the young people to see how much they understood about the 'Plan of Salvation,' and I ended up asking myself: 'What have we been doing all this time?'"

Many of them are between 12 and 15 years old, and several didn't even know where they would spend eternity if they died today. That made me reflect seriously on the need to place the Gospel and salvation back at the center of our teaching. I discovered that they know a lot about the church, but not necessarily the way of salvation.

Dear brothers and sisters, without further ado, I thank God for everything He does by His grace. My wife and I also thank you for your partnership in ministry and for your support through prayer and offerings.

"Behold, God is my helper; "The Lord is with those who uphold my life." (Psalm 54:4)
