Family

My family and I bless God, who is the foundation of all things, and we thank you (IPM) for your continual support. May God keep and protect you.

Ministry/Church

By the grace of God, the church is doing well, growing both numerically and spiritually. The children in the Sunday School have grown up, and four of them will soon be getting married. Our programs are being faithfully carried out, and the Gospel is preached every Saturday.

Bible Institute

Since March, the fifth class of students has begun its academic year, and the courses are continuing successfully. I am proud of the Bible Institute because it is helping to secure the future of the next generation.

Prayer Requests

Family

Please pray for me. I am currently in Ghana to learn English and will be enrolling at Solid Rock Bible School in September for my doctoral studies. I need financial support for my stay and for the needs of my family.

Church

We are still holding our worship services in a school building, which is not legally permitted. Please pray that the funds for the purchase of church property will be provided so that we can acquire land for the church. Please also pray that we will not be forced to leave the school while we seek a permanent place of worship.

Bible Institute

Please pray as well for the purchase of land for the Bible Institute. My desire is to build both the church and the Bible Institute on the same property. Please pray that God will hear and answer our prayers.
