THE GUZMÁN FAMILY

Serving the Lord in Puebla, Mexico | 011.52.243.1044.472 | guzvalenrique74@gmail.com

Beloved brothers and sisters in Christ,

It is a joy to greet you and share the work we are doing for our good God, work that we are able to carry out through the grace and mercy of our Lord and with your support.

I am deeply grateful to the Lord and filled with joy regarding what He is doing with the youth group. They are growing through biblical discipleship and fellowship as they become increasingly involved in the ministry; most of them served as teachers and assistants during Vacation Bible School. They are also participating in evangelism, leading worship services, and conducting outreach at the hospital. We held a special activity with them that has brought them closer together as they learn to serve the Lord side-by-side.

The Lord enabled us to hold Vacation Bible School from July 28 to August 2. It was beautiful to see so many children, and the church youth, participating in everything from the initial planning to the actual event. We thank God for working in the hearts of the children's parents; attendance was higher this year than in previous years. God also allows us to continue preaching at the hospital, where a good number of people hear the Gospel every Saturday while receiving a meal.

God continues to work in the mission fields as well. In Tlapanala, Sister Marce's husband, Mateo, and their daughter, Magdalena, have come to faith; we hold meetings with them on Fridays. While the work in El Pitayo hasn't grown as much as we might have hoped, it has remained steady thanks to the faithful families there. We have a group of nine people, which is a blessing, given that it is a small village.

Evangelism: We are going out on Saturday mornings to win souls in the town of Agua Escondida. We ask for your prayers that souls may be saved and that God would arrest the attention of these needy souls.

Family: I also ask that you continue to support us in prayer regarding my wife's health; this week, she is undergoing lab tests and a kidney ultrasound to check her condition. By God's grace, we hope everything turns out well.

I reiterate my gratitude to each of you for your love for the work and for your generous support; we pray daily that God showers you with blessings.
