FAMILY

We bless God for His faithful presence in our family and for His grace that continues to accompany us every day. We are also grateful to God for IPM, which continues to support us according to God's provision. I will always be grateful to the leadership of Solid Rock, for their help and support, particularly during my stays in Ghana. I am pursuing my English studies as well as biblical training at Solid Rock, as I prepare for my doctoral studies.

Prayer Requests – Family

1. Please pray for my wife's health, especially for her medical treatment, which costs approximately 108,000 CFA francs per month. (About $200 per month)
1. Please pray for my studies in Ghana, that God would help me as I learn English at the academy and continue my studies at Solid Rock.
2. Please pray that God will provide for all the needs of our family and give us His grace in every situation.

CHURCH

We thank God for the good progress of the church. By His grace, the work is moving forward, and we are seeing the fruit of the work that has been done over the years.

We are currently preparing for two weddings: Brother Toussaint to Maman and Brother Eric to Christelle. Both of them grew up in the church through the Sunday School ministry. We give thanks to God for their spiritual growth and for the fruit of the teaching they received.

We continue to hold our worship services at a primary school. This place does not belong to us, and the use of the building is not legally secure. We could be asked to leave the premises at any time.

We would like to build a simple church shelter on a piece of land that a generous person has lent to us for five years, while we work toward raising the funds to purchase our own land. This would allow us to leave our current location and have a more stable place for our worship services.

In the photo, where you see the smoke, that's the land we've been loaned temporarily while we wait to pay for the church. We have now finished clearing the land for the construction of the shed. Please pray that God will give us the means to begin the work so that we can leave the school.

Prayer Requests – Church

1. Please pray for the acquisition of land for the church, that God will provide the necessary resources.
2. Please pray for the land that has been lent to us for five years, that God would make it possible for us to build the shelter quickly.
3. Please pray that we will be able to leave our current location soon, since we are currently meeting in a primary school, and move to the new site.
4. Please pray for the spiritual and numerical growth of the church and for the blessing of the families within the church.

BIBLE INSTITUTE

We also bless God for the good progress of the Bible Institute. The training is continuing under good conditions, and I am particularly grateful to see the passing of the ministry from one generation to another. The training is currently being conducted in two cities, Abidjan and Aboisso. We thank God for the teachers, students, and everyone who contributes, directly or indirectly, to this ministry of biblical training.

Prayer Requests – Bible Institute

1. Please pray for the financial support needed for my travels, so that I can continue to participate in the various training activities.
2. Please pray for the teachers who assist and support me in teaching, that God would give them wisdom, strength, and grace.
3. Please pray for the acquisition of land for the Bible Institute, so that we can have a permanent and suitable place for biblical training.

CONCLUSION

We give thanks to God for His faithfulness in our family, in the church, and in the Bible Institute. We especially ask for your prayers that God will provide for the different needs mentioned above, particularly the acquisition of land, the construction of the church shelter, my studies, travel expenses, and health-related needs. May the Lord continue to lead His work, raise up people to support us, and provide for every need according to His will.

Thank you for your prayers, your support, and your commitment alongside us in the work of the Lord.
