

Dear Pastors/Churches,

NOVEMBER 2026

Greetings, dear brothers and sisters. We are reaching out once again through this letter to share an update on our ministry in northern Argentina and how God continues to work during this time.
We are always grateful for your prayers and financial support, which are a tremendous help in advancing the missionary work.

Regarding La Gracia Baptist Church (Tucumán): As mentioned in our previous letter, the church suffered a fire, caused by an electrical issue, that damaged the dining area, kitchen, restrooms, and Sunday school classrooms. Over the past few months, the congregation has been focused on repairing the building and the electrical system.

Before we could begin, we had to wait for municipal inspections to assess the structural integrity of the building following the fire and determine whether it could be salvaged or if it would need to be demolished, a scenario that would have been extremely costly. By the grace of God, the building passed the inspections and can be restored.

We have made significant progress on the repairs, though we still need approximately $4,000 for the remaining materials. We are deeply grateful to those who have already contributed; your support is a great help during this time of need.

Despite these difficult circumstances, the church has continued its regular activities and meetings. This October, we held a special event for Mother's Day, welcoming visitors who had the opportunity to hear the Word and the plan of salvation.

At Fe Baptist Church (Rosario de la Frontera), we continue with our regular church activities and various ministries. Thank God, the church is growing steadily, and our leaders are playing an integral role in this growth.

The congregation is actively sharing the Gospel and discipling those who visit us. God is at work in the lives of every family.

Please keep Leonel and his wife, Ruth, in your prayers. They came to faith through the witness of Juan Pablo, one of our church leaders. May the Lord continue to work in their hearts. Please also pray for Irma, the wife of Brother Carlos. They are new to the church; she has begun experiencing seizures, and doctors are currently trying to determine the underlying cause.

Additionally, I would like to share that during the month of November, two brothers from the Ebenezer Baptist Church in Lakeland, Florida, Josue Garcia and Ariel de León, will be visiting us to teach at the church's institute. May the Lord bless this special time while they are here in Argentina.

Regarding our ministry among the indigenous peoples in the mountains: From November 5th to 8th, we will be holding a conference to mark the 50th anniversary of the Baptist Church in Cusi Cusi. We will be traveling there alongside our visitors from the Ebenezer Baptist Church in Lakeland, Florida, Josue Garcia and Ariel de León. Cusi Cusi is a difficult place to reach, located at an altitude of 4,000 meters above sea level.

We know that brothers and sisters from other communities will be joining us. Please pray that we can secure transportation; we do not have a vehicle yet, but we are actively looking for a way to get there, as these locations are only accessible by pickup truck. We trust that the Lord will provide.

Dear brothers and sisters, it brings us great joy to share how the Lord continues to work during these challenging times. The Lord is good; there is much work ahead, and time is short. Thank you for your prayers; we, in turn, are praying for each of your churches, as well as for the salvation of your country.

By the grace of God, the Fraga family
