Dear IPM family, NOVEMBER 2026

First and foremost, thank you to God and to you; you are instruments through which the Gospel continues to spread, and the Lord's church continues to be built up. We pray that God will continue to grant you great wisdom in the service He has entrusted to you.

Bolivia remains very open to the Gospel; what is needed are more laborers to fulfill the Great Commission. We are currently praying about opening a church in Tolata, for which we need a team. We have already begun evangelizing among children and adolescents, meeting on a small futsal court; we pray that the Lord will provide us with a permanent place to gather.

By the grace of God, my family is doing very well. God is so good to allow us to serve Him, and we strive to face every challenge He places before us for His glory. Due to the church's relocation, some of our brothers and sisters have stopped attending. We are praying about moving to a more accessible location, one that is easier for our church family to reach and also well-suited for evangelism. We ask that the Lord guide us in this process.

Sunday School for Children
Our teachers are deeply committed to ministering to the children and put great effort into their work. They are following our annual curriculum in both churches, helping the children come to know Jesus, the One who rescued them, more deeply.

AWANA Ministry
In Anocaraire, the team serves every Saturday, teaching memory verses and Bible lessons focused on the children's spiritual growth. Many of these children come from non-believing families; we pray that, through these children, their parents might come to know the Lord.

Youth Ministry
This ministry seeks to grow in the knowledge of the Scriptures; every topic covered is focused on developing a deeper understanding of our God and the application of His Word. Additionally, these young people go out to evangelize on Sunday afternoons.

Women's Ministry
The sisters are very happy regarding the health of Sister Tereza, who has recovered after two months of illness. She has now been able to resume teaching the Word of God, currently leading a study on the Gospel of Luke. They also continue to visit the San Miguel neighborhood to share the Word with the women and children there; several people have come to know Christ through this ministry. During their monthly visits, they also teach various crafts.

Anocaraire Church Ministry
The believers remain strong, despite facing certain trials during this period. The youth are growing and providing support in various areas, and the congregation as a whole has shown an increased commitment to service. Preparations are currently underway to improve the facilities for the church anniversary, which will take place on November 15th. We are very grateful to the Lord for each of these believers; they serve as an example to the church in Cochabamba.

Marriage Ministry
We continue to find it a significant challenge, yet a rewarding one, to work with married couples in the

churches. This year's meetings have been instrumental in helping them learn to be good stewards of the resources God has provided, even amidst the economic crisis our country is currently experiencing.

Missions
Our missionary continues her work in the jungle, reaching out to various indigenous communities with the Word of God, as well as providing essential supplies such as food, school materials, and clothing.
When she is not traveling to the jungle, she also serves children in the city of Trinidad and leads meetings for women.

Omereque Project
Our brother and sister, Harold and Zulma, continue working in this location with children and young people, sharing the Gospel and teaching the Scriptures. Several individuals have come to know our Lord, and it brings us great joy to see their dedication and service to Him.

Tolata Project
This ministry stirs our hearts; every child and adolescent here is eager to learn more about Jesus and is truly enthusiastic about coming to the club. We have about 30 faithful children who attend every Saturday. Several of them have already accepted Christ, and two mothers also accepted Christ two Saturdays ago. We are overjoyed to see the hand of God at work in each of their lives.

Prayer Requests:

1. Thanksgiving and guidance regarding decisions for the ministry in the new year.
2. The economic situation in Bolivia.
3. That God would provide a plot of land for the construction of a church in Cochabamba.
4. Thanksgiving and strength for the work in Tolata, where many have accepted Christ.
5. My daughter Salem's studies.
6. More laborers for His work in Bolivia.
7. My health, specifically, some issues with my feet and elbows.

Contributions for our ministry should be made payable to IPM and sent to IPM, Inc., 100 Spring Ave., Hanover, PA 17331-2717 Be sure to include a note designating "Jordan Support" or any other special designation you may have for us. Thank you.
