Dear friends in Christ, NOVEMBER 2026

We bring greetings in the precious name of our soon-coming Lord.

“Praise ye the LORD. Praise God in his sanctuary: Praise him in the firmament of his power. Praise him for his mighty acts: Praise him according to his excellent greatness.” Psalm 150:1-2

Family News
My family and I sincerely thank you for your financial and prayer support. We bless the Lord for His loving kindness throughout the year. Although we have not been faithful, He has dealt kindly with us.

Faith Independent Baptist Church
The church organized prayer and fasting sessions twice to encourage members to finish the year on a good note and to encourage the weary members not to faint. The church youth organized a retreat trip to the Aburi Botanical Gardens. There were Bible studies and lectures on how the youth ought to behave in their day and time. They were also encouraged to participate in all church activities for their own spiritual growth. The church choir also organized a week-long celebration at the end of October, with lectures, music, Wednesday prayer service, and evangelistic outreach, where they sang songs and distributed tracts to passersbys; it was a great success.

ORDINATION
The church organized an ordination service to ordain one of their own, Felix Ofoe Lotsu, into the pastoral ministry. It was a wonderful occasion for the church as a whole. I also organized the ordination service for one of the Christiansborg Baptist Church pastors, Pastor John Nana Kwame Antwi Jantuah.

OPPORTUNITIES
I preached at the Dansoman Baptist Church during their Pastor’s Appreciation Service on September 13. I also preached at the Truth Missionary Baptist Church during their Sunday Morning religious service on September 20, 2026. When Rev. John Kofi Aidoo passed on to glory, I preached at the Solid Rock Baptist Church Ankwa Dobro, during the vigil they held in his memory.

Prayer Request:
Please pray that the Lord will provide the $21,000 needed to complete the ceiling and floor of the church building at Faith Independent Baptist Church, Winneba.

AFRICA MINISTRIES

SOLID ROCK
Adzentem Church gets a pavilion. For some time now, we’ve been praying to build a pavilion at Adzentem as a place of worship. We are happy to announce that the Lord has provided, and we have now raised a pavilion. Church members are very happy, and they hope to raise the walls and enclose it so it becomes a church building.

Ashanti Region
In June and July, we visited and encouraged two of our churches here. We visited Drobonso Church, where a member had died, and therefore we went to help with the burial service. Many people responded when we called for folks to pray to surrender

their lives to Jesus Christ. The church is in a new, developing area, so members travel a long way to get to church. To our encouragement, they were determined to do so.

In August, Evangelist Ambadyil Subramanin held a special soul-winning seminar. He used ropes to teach object lessons on soul-winning. When those at the seminar were sent out, they harvested souls. Let's pray for a good follow-up for new converts.
Dr. Mark Campbell and his wife, April, visited. It was a blessing having Dr. Mark Campbell from Arlington Baptist Church, Baltimore, and his wife, April, visit with us. Dr. Campbell taught a class (Leadership in Ministry) to our graduate students, and his wife helped us with outreach to the deaf in our community. It was a wonderful week that brought 20 deaf people to our Sunday evening service because they knew someone was there to sign for them.

ETHIOPIA (Deaf Ministry)
Deaf ministries in Gambella region of Ethiopia:
The Deaf ministries are doing wonderfully well and are still holding services while their leader, James Nyoach, is in the US.
Two of our other Deaf leaders, Gatkuoth and Dhiel, care for and teach the deaf each Wednesday and Sunday back in Gambella. Both men were saved a few years ago, and they are really excited to serve the Lord. Hearing church: Camp Kule is about 35 minutes from Gambella. The section of the camp where we currently minister is called Tharpam. We also need water tanks to store water for showers and drinking. Buying water is a burden for us because we don't have a water tank in Gambella. The city limits the water that it sends to the people, and the electricity is off and on at all times. Deaf church building: We are still praying to have enough funds to build our Deaf church building in Gambella. We pray that we can start building in February, 2027. Matthew Barfield, Deputy Director of IPM, is planning to visit us in November. Please pray for us that the Lord will give us wisdom as we plan for 2027. Thank you all for your support and prayers.

ETHIOPIA (Hearing Ministry)
The Lord's work in Debrebirhan is steadily progressing. Through day-to-day street evangelism, we have given out evangelistic tracts and literature to over 200 people. We are blessed and encouraged by those who are coming to our meetings. Seven people are following discipleship lessons and are showing a good testimony of their Christian life. Over the last three months, we conducted home-to-home visits to encourage church members and help them understand why we need to attend church services regularly. We have seen the joy of many as they were visited by their ministers.

Our outreach and church-planting work in other places is also encouraging, and the name of our Lord is being known through the mission work's evangelistic efforts. We had a great time when Pastor Emir came and taught our church-planting missionaries on "Holding the Truth and Standing for the Truth." During the summer, we held Vacation Bible School for our members' children and their friends. Ten children attended the school for three weeks. In addition to teaching the Bible, we counsel the children on how to study their school lessons and be good students for the Lord's glory.

KENYA
Church Growth
We praise God for His work in our church. Several people are preparing for baptism and membership, and two brothers are being added as deacons. Our church plants continue to grow, and our pastors remain steadfast despite the normal challenges of life and ministry.

Umoja-Mbuyu Mission:
The Umoja-Mbuyu preaching point has grown remarkably over the past year. By God's grace, we have secured land and begun raising funds locally for a permanent home. Some construction materials have already been acquired, and our goal is to raise $18,380 to complete the auditorium and washroom facilities. We humbly invite you to prayerfully consider supporting this work as the Lord enables you.

Prayer Requests:
- Pray for my family, that we can visit our family in Zambia soon.
- Pray for the completion of the Umoja-Mbuyu building project.
- Pray for strength and encouragement for our pastors and leaders.
- Pray for families still healing from the trauma of displacement and loss.

Your Servant,
Dr. Seth Mohenu
