"For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures;" 1 Corinthians 15:3

Dear brothers and sisters,

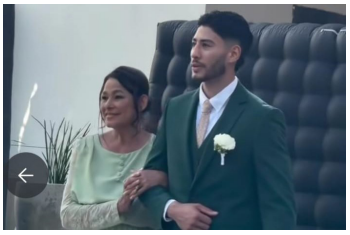

May God bless you. By the grace of God, we are preaching the glorious gospel of salvation in the city of Apatzingán, fulfilling our ministry. We thank God for the sacrifice of Christ, who died to give us eternal life, the greatest gift we have ever received in this world.

The month of August was a great blessing for my wife and me, as we took a group of young people from the church to Camp Meta. We returned with great joy; the young people were motivated to serve the Lord, and we felt challenged to provide ongoing support for them. We continue ministering to them through discipleship and encouraging parents to guide their children wisely under God's direction.

We are grateful because God has always been good to us, our children, and our grandchildren. We traveled to Tijuana, Baja California, where I had the joy of meeting my third grandchild in person. It was also a time of great celebration, as our son, Moisés, married Sister Isabel on September 12th of this year. The wedding was attended by our daughter, Eunice, her husband, José, and their three children; our daughter, Noritza, and her husband, Omar; several relatives of the newlyweds; and members of the Alfa and Omega Baptist Church in Tijuana. Additionally, on Sunday, September 13th, we celebrated Mexico's Independence Day with the congregation of that church. The people shown in the photo from the Mexican Independence celebration include my children, my grandchildren, and some of our fellow believers along with their children.

We thank God that, by His grace, we are able to hold a Summer Bible School each year. Our church members truly enjoy serving with joy as they carry out this wonderful activity. This year, we were able to minister to a good-sized group of children, and we are now reaching out to these little ones and their parents to provide ongoing follow-up. Some of these children have joined our weekly Children for Christ Club. During these sessions, we are also helping children who do not yet know how to read, or who struggle with reading, to develop their literacy skills.

We give glory to God for the salvation of our sister, Britzia, through the glorious Gospel of Christ. She served as a catechist in the Catholic Church for several years, but God has shown us a powerful example of His ability to draw souls to Christ (John 6:44), even those deeply rooted in religious traditions. In His wisdom, God used various adversities in her life, which made her receptive to hearing the Gospel of salvation. I ask for prayer

for her family, her husband, Francisco, and their son, Alexander, that God may strengthen their spiritual lives and grant them the wisdom to lead their home.

We also thank God that the relevant authorities have finally granted us permission to install a potable water supply and a sewage/drainage system. After a long wait, we will soon have these connections installed on the church property; municipal workers will shortly begin digging the trenches to lay the pipes.

Prayer Requests:

1. For the discipleship of the young people from our church who attended Camp Meta.
2. That our relationship with God may continue to grow and deepen.
3. For God's wisdom in our ministry.
4. That God may grant us fruit that remains.
5. For the church leadership.
6. For the financial resources to continue the church building construction project.
7. That God may use Brother Uriel and his wife in the mission in the city of Uruapan, Michoacán.

Your brothers and sisters in Christ,

Mariacruz and Salvador Rodriguez
